Great Sermons On Christ Vol 2 Jesus Death:

Great Sermons on Christ Wilbur M. Smith, 1991-09-01 The Lost Sermons of C. H. Spurgeon Volume VII Charles Haddon Spurgeon, 2022-09-01 In 1857 Charles Spurgeon the most popular preacher in the Victorian world promised his readers that he would publish his earliest sermons For almost 160 years these sermons have been lost to history In 2017 B H Academic began releasing a multi volume set that includes full color facsimiles transcriptions contextual and biographical introductions and editorial annotations Written for scholars pastors and students alike The Lost Sermons of C H Spurgeon will add approximately 10 percent more material to Spurgeon s body of literature A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Commentary on the Holy Scriptures* John Peter Lange, 1884 **Biblical Preaching and Teaching Volume 1** Dallas R. Burdette, 2009-08 One objective of this book is to set forth the heart of God s Gospel This volume is composed of a compilation of sermons and in depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another Since the Cross of Christ is pivotal to a proper understanding of Christianity numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God s people Not only does this book focus upon the scheme of God s redemption and evangelism as a part of every believer s ministry it also calls attention to Christian apologetics that is a defense of Christianity Three chapters are devoted to this kind of study 1 Christianity versus Skepticism 2 Credibility and Candor of the New Testament Writers and 3 Paul s Conversion Apologetic for Christianity Also this book allocates three chapters to the subject of baptism and its meaning to God s children And finally four chapters are dedicated to a detailed study of worship within the Christian community Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as

well as many essays and sermons which are available on his website www.freedominchrist.net He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary Bookseller and the Stationery Trades' Journal, 1895 Stumbling over the Cross Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world *A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical* Johann Peter Lange, 1864 A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day Zondervan, 2018-12-11 A Legacy of Preaching Two Volume Set Apostles to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the Puritans and profiles thirty preachers including Origen of Alexandria by Stephen O Presley John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca John Huss by Mark A Howell Martin Luther by Robert Kolb John Calvin by Anthony N S Lane
