Great Escapes By Convicts In Colonial Australia:

Great Escapes by Convicts in Colonial Australia Warwick Hirst,1999 *Imperial Underworld* Kirsten

McKenzie,2016-01-14 During a major overhaul of British imperial policy following the Napoleonic Wars an escaped convict reinvented himself as an improbable activist renowned for his exposés of government misconduct and corruption in the Cape Colony and New South Wales Charting scandals unleashed by the man known variously as Alexander Loe Kaye and William Edwards *Imperial Underworld* offers a radical new account of the legal constitutional and administrative transformations that unfolded during the British colonial order of the 1820s In a narrative rife with daring jail breaks infamous agents provocateurs and allegations of sexual deviance Professor Kirsten McKenzie argues that such colourful and salacious aspects of colonial administrations cannot be separated from the real business of political and social change The book instead highlights the importance of taking gossip paranoia factional infighting and political spin seriously to show the extent to which ostensibly marginal figures and events influenced the transformation of the nineteenth century British Empire

Gangland Australia Susanna Lobez,James Morton,2014-11-27 *Gangland Australia* details the exploits of an unforgettable cast of villains crooks and mobsters who have made up the criminal and gangland scene in Australia for over two centuries In this fully updated and bestselling book Britain's top true crime author James Morton and barrister and legal broadcaster Susanna Lobez track the rise and fall of Australia's talented contract killers brothel keepers club owners robbers bikers standover men conmen and drug dealers and also examine the role of police politicians and lawyers who have helped and hindered the growth of criminal empires Vivid and explosive *Gangland Australia* is compulsive reading

Memorandoms by James Martin Tim Causer,2017-06-07 Among the vast body of manuscripts composed and collected by the philosopher and reformer Jeremy Bentham 1748-1832 held by UCL Library's Special Collections is the earliest Australian convict narrative *Memorandoms by James Martin* This document also happens to be the only extant first hand account of the most well known and most mythologized escape from Australia by transported convicts On the night of 28 March 1791 James Martin William and Mary Bryant and their two infant children and six other male convicts stole the colony's fishing boat and sailed out of Sydney Harbour Within ten weeks they had reached Kupang in West Timor having in an amazing feat of endurance travelled over 3 000 miles c 5 000 kilometres in an open boat There they passed themselves off as the survivors of a shipwreck a ruse which initially at least fooled their Dutch hosts This new edition of the *Memorandoms* includes full colour reproductions of the original manuscripts making available for the first time this hugely important document alongside a transcript with commentary describing the events and key characters The book also features a scholarly introduction which examines their escape and early convict absconding in New South Wales more generally and drawing on primary records presents new research which sheds light on the fate of the escapees after they reached Kupang The introduction also assesses the voluminous literature on this most famous escape and critically examines the myths and fictions created around

it and the escapees myths which have gone unchallenged for far too long Finally the introduction briefly discusses Jeremy Bentham s views on convict transportation and their enduring impact **Caught on Screen** James Findlay,2025-09-18 From innocent criminals to radical revolutionaries feisty feminists to manly pioneers egalitarian settlers to violent invaders Caught on Screen shows how over successive generations the shape shifting convict emerged on screen as a potent historical symbol Convicts loom large in Australian history As transported criminals and the first European settlers they have shackled the nation to a curious and contested origin story Historians were largely silent on their exploits until the second half of the twentieth century but before then a tradition of convict representation on screen appeared with the rise of cinema taking hold of the popular imagination From silent films to more recent television series screen culture has elevated the convict experience to become a key historical narrative through which filmmakers and audiences have repeatedly reframed and challenged an understanding of Australia s colonial past Caught on Screen traverses this history of convict representation for the first time Through detailed archival research into their production and reception the book explores engaging case studies produced in Australia and internationally including the work of Douglas Sirk Alfred Hitchcock and Jennifer Kent It illuminates the fact that the convict as historical symbol is one that intersected with and helped to direct major debates about nationalism the legacies of colonisation Aboriginal dispossession and the origins and character of Australian society

Gangland: The Great Escapes James Morton,Susanna Lobez,2018-07-30 Since the arrival of the First Fleet thousands of prisoners have escaped from prison police stations courts prison vans and hospitals even dentists chairs They have driven walked pedalled swum or sailed away from custody Some have killed or been killed in the process a few have gone overseas or escaped from foreign prisons and a handful have remained at home undetected Gangland The Great Escapes is filled with tall tales of crims Ronald Ryan Jockey Smith Brenden Abbott Julie Wright and Annie Davis and many others who have been recaptured in minutes and those who have stayed on the run [Australia's Birthstain](#) Babette Smith,2011-03-04 Why is it that Australians are still misled by myths about their convict heritage Why are so many family historians surprised to find a convict ancestor in their family trees Why did an entire society collude to cover up its past Babette Smith traces the stories of hundreds of convicts over the 80 years of convict transportation to Australia *The Limits of British Colonial Control in South Asia* Ashwini Tambe,Harald Fischer Tiné,2008-08-19 This book assesses British colonialism in South Asia in a transnational light and with a focus on subaltern groups and actors Challenging the assumed stability of colonial rule it analyses the ways in which the racial class and moral order instituted by British colonial states was resisted and subverted

Colonial Adventure Ken Gelder, Rachael Weaver, 2024-10-08 Adventure was one of the grand narratives of colonisation which saw European powers sending agents off to new and distant worlds Their journeys didn't always follow a straight line Some were shipwrecked lost or marooned adventure turned into misadventure Others left the colony as soon as they arrived Convicts fled to Timor China and South America while bushrangers roamed the country antagonising colonial authorities But when adventurers directly served the interests of colonisation they could be violent ruthless and brutally racist rapaciously seeking profit and property Many adventurers went wherever ambition took them killing and dispossessing Aboriginal people and claiming ownership of their lands By examining colonial adventure narratives in all their rawness and complexity this book asks us to reflect on the continuing legacies of colonisation in Australia today

Great Convict Escapes Warwick Hirst, 2003 In Colonial times Australia was considered the perfect prison a place of impenetrable bush and wide oceans But hundreds of convicts did escape Most were recaptured some perished in the bush others limped back half starved a few even lived with the Aborigines and some such as William Westwood better known as Jacky Jacky had a short but spectacular career robbing travellers on the roads of southern New South Wales Those however who favoured the sea route to freedom often found sanctuary on Pacific Islands while others reached South America or even made their way back to England Among the latter was William Swallow who twice got back to London only to be recognised on each occasion and transported back to Van Diemen's Land This book is a collection of the more extraordinary tales Drawn from the memoirs of men and women who made the escapes as well as from official documents the daring and adventure of these tales are equal to any in fiction

Anthology Of Colonial Australian Crime Fiction Ken Gelder, Rachael Weaver, 2008-07-01 From the editors of *The Anthology of Colonial Australian Gothic Fiction* comes this fascinating collection of disturbing mysteries and gruesome tales by authors such as Mary Fortune James Skipp Borlase Guy Boothby Francis Adams Ernest Favenc Rolf Boldrewood and Norman Lindsay among many others In the bush and the tropics the goldfields and the city streets colonial Australia is a troubling bewildering place

and almost impossible to regulate even for the most vigilant detective Ex convicts bushrangers ruthless gold prospectors impostors thieves and murderers flow through the stories that make up this collection challenging the nascent forces of colonial law and order The landscape itself seems to stimulate criminal activity where identities change at will and people suddenly disappear without a trace The Anthology of Colonial Australian Crime Fiction is a remarkable anthology that taps into the fears and anxieties of colonial Australian life Solomon's Noose Steve Harris,2018-09-01 The story of a young convict Solomon Blay who became Her Majesty's hangman in Van Diemen's Land the man who personally had to deliver an Empire's judgment on 200 men and women and endured his own noose of personal demons and demonisation in order to survive all in the context of the great struggles of good evil life death hope despair which drew the attention of Darwin Twain Trollope and Dickens as Van Diemen's Land evolved from a Hades of Evil to sow the seeds of nationhood The book paints a vivid picture of the society and poverty from which Blay's character was forged in England and the desperate brutal nature of being a convict in Van Diemen's Land Solomon's Noose is an important book in exposing the dark underbelly in the formation of modern Australia From the furthest corner of that foreign country the past comes the haunting story of the convict who became the British Empire's youngest executioner Beware the shock of the true Andrew Rule award winning journalist and author Impressive research and a story that challenges the imagination except that it's true A prisoner elects to become a hangman to improve his lot in life All this set against the Gothic world of Van Diemen's Land in the time of convicts bushrangers and rough justice Les Carlyon bestselling author of Gallipoli and The Great War **The Parliamentary Debates from the Year 1803 to the Present Time** ,1857 Outlaws and Spies Conor McCarthy,2020-03-18 Conor McCarthy shows how outlaw literature and espionage literature critique the use of legal exclusion as a means of supporting state power Texts discussed range from the medieval Robin Hood ballads Shakespeare's history plays and the Ned Kelly story to John le Carr Don DeLillo Ciaran Carson and William Gibson *Contested Masculinities* Nalin Jayasena,2013-10-18 Exploring how English masculinity that was so contingent on the relative health of the British imperial project negotiated the decline and ultimate dissolution of the empire by the middle of the twentieth century this book argues that by defining itself in relation to indigenous masculinity English masculinity began to share a common idiom with its colonial other The rhetoric of indigenous masculinity therefore both mimicked and departed from its metropolitan counterpart The study combines an interdisciplinary approach with a focus that is not limited to a single colonial society but ranges from colonial Bengal Burma Borneo and finally to colonial Australia **Appendix to the Journals of the House of Representatives of New Zealand** New Zealand. Parliament. House of Representatives,1871 Greater Britain Sir Charles Wentworth Dilke,1890
