Schweninger Stephanie A Sellers Kathryn W Shanley Leah Sneider David Stirrup Theodore C Van Alst Jr Tammy Wahpeconiah **The Cambridge History of Native American Literature** Melanie Benson Taylor, 2020-09-17 Native American literature has always been uniquely embattled It is marked by divergent opinions about what constitutes authenticity sovereignty and even literature It announces a culture beset by paradox simultaneously primordial and postmodern oral and inscribed outmoded and novel Its texts are a site of political struggle shifting to meet external and internal expectations This Cambridge History endeavors to capture and question the contested character of Indigenous texts and the way they are evaluated It delineates significant periods of literary and cultural development in four sections Traces Assimilation and Modernity 1879 1967 Native American Renaissance post 1960s and Visions Revisions 21st century These rubrics highlight how Native literatures have evolved alongside major transitions in federal policy toward the Indian and via contact with broader cultural phenomena such as the American Civil Rights movement There is a balance between a history of canonical authors and traditions introducing less studied works and themes and foregrounding critical discussions approaches and controversies *Native North American Theater in a Global Age* Birgit Däwes, 2007 Indigenous drama is at once the oldest and most innovative the most heavily displaced and resistant American genre Despite its increasing international presence over the past two decades the field has so far been neglected by scholarship This study seeks to chart the genre in both the U S and Canada by its contemporary manifestations from 1968 to 2004 and traces its historical entanglements in simulacral images and colonial surveillance Placing particular emphasis on the fashioning of cultural identity this approach situates Native theater in the larger framework of transnational methodologies General questions of theatricality and representation are complemented by in depth analyses of 25 plays by authors such as Hanay Geiogamah Monica Charles Gerald Vizenor Spiderwoman Theater Diane Glancy Margo Kane Tomson Highway and Drew Hayden Taylor
