Blinne,2020-01-23 Pop Culture Yoga A Communication Remix was born out of a series of questions about the paradoxical nature of yoga How do individuals and groups define yoga What does it mean to practice yoga and what does this practice involve What are some of the most important principles guidelines or philosophical tenets of yoga that shape people s definitions and practices Who has the power and authority to define yoga What are the limits if any of shared definitions of yoga Kristen C Blinne explores the myriad ways yoga is communicatively constructed and defined in and through popular culture in the United States In doing so Blinne offers insight into the many identity work processes in play in the construction of yoga categories illuminating how individuals and groups words and actions represent practices of claiming part of a complex communicative process centered around membership categorization based on a range of authenticity discourses Employing popular culture writing styles Blinne ultimately contends that the majority of yoga styles practiced in the United States are remixes that can be classified as pop culture yoga a distinct way of understanding this complex phenomenon **Yoga** Daren Callahan,2015-01-28 Millions of people practice some form of yoga but they often do so without a clear understanding of its history traditions and purposes This comprehensive bibliography designed to assist researchers practitioners and general readers in navigating the extensive yoga literature lists and comments upon English language yoga texts published since 1981 It includes entries for more than 2 400 scholarly as well as popular works manuals original Sanskrit source text translations conference proceedings doctoral dissertations and master s theses Entries are arranged alphabetically by author for easy access while thorough author title and subject indexes will help readers find books of interest Kundalini, Mother of the Universe , **Bulletin of the New York Public Library** New York Public Library,1928 Includes its Report 1896 19 **The Journey** Baird T. Spalding,2021-11-25 Baird Spalding played a ground breaking role when he introduced the Western world to the wonders of a Far East expedition in 1894 The knowledge of Masters assisting and guiding humanity in the classic book LIFE AND TEACHING OF THE MASTERS OF THE FAR EAST became legend in metaphysical circles during the first half of the 20th century and continues today as a source of spiritual enlightenment Spalding and the others were practical in nature and the thought of spiritual masters performing miracles seemed impossible Despite these suspect thoughts something compelled them to move onward So they did Originally published as 3 separate volumes DeVorss Publications is proud to release these historic books in one edition titled THE JOURNEY Life and Teaching of the Masters of the Far East Volumes 1 3 A Single Edition with a NEW INTRODUCTION by MITCH HOROWITZ author of OCCULT AMERICA It is within these 3 volumes that Spalding details an expedition that lasted 3 years and covered the mountainous landscape of Nepal and India near the close

of the 19th century **Yoga Body** Mark Singleton,2010-02-10 In this groundbreaking book Mark Singleton shows that contrary to popular belief there is no evidence in the Indian tradition for the kind of health and fitness oriented asana practice that dominates the global yoga scene today Singleton s surprising and surely controversial thesis is that yoga as it is popularly practiced today owes a greater debt to modern Indian nationalism and even more surprisingly to the spiritual aspirations of European bodybuilding and early 20th century women s gymnastic movements of Europe and America than it does to any ancient Indian yoga tradition **Catalog of Copyright Entries.
