Canada. Mines Branch (1950-),1913 Nature-based Tourism in Peripheral Areas Colin Michael Hall,Stephen W.
Boyd,2005-01-01 Nature based Tourism in Peripheral Areas provides a comprehensive examination of this form of tourism
development as it occurs within alpine forest sub polar island coastal and marine environments This book goes beyond much
of the debate surrounding ecotourism and the impacts of tourism in vulnerable environments to place nature based tourism
in a wider regional context particularly when for many peripheral regions tourism remains one of the key opportunities for
economic development Therefore a central theme that is present throughout many of the chapters is the role that nature
based tourism can play as the catalyst for larger regional development of regions The book will serve as essential reading to
senior undergraduate and postgraduate students taking courses in tourism and related degrees where the major focus is on
tourism that occurs within peripheral regions It will also serve as a key reference to researchers and professionals interested
in the role of tourism as a regional development tool Proceedings of the Lake Superior Mining Institute Lake Superior
