Ehrhart, 2019-03-01 Fifty five years in the writing these are the collected poems of W D Ehrhart one of the major figures in Vietnam War literature Arranged chronologically it allows readers to trace the development of a writer whose talents are bound together by the lingering physical psychological political and intellectual sensibilities the author first developed as a young enlisted Marine during the Vietnam War And while many of the poems deal with the author's encounter with the Vietnam War and its endless consequences the poems range widely in content from family and friends to nature and the environment to the blessings and absurdities of the human condition

collections of poems several novels critical essays and translations of Russian and Eastern European poetry The 1960 setting by Mikis Theodorakis of Ritsos's epic poem Epitaphios was said to have helped inspire a cultural revolution in Greece In Secret gives versions of Ritsos's short lyric poems brief compressed narratives that are spare though not scant They possess an emotional resonance that is instinctively subversive rooted in the quotidian but at the same time freighted with mystery The poems are so pared down so distilled that the story fragments we are given the scene settings the tiny psychodramas have an irresistible potency Harsent is one of those rare poets whose work commands attention outside the poetry world Guardian *The American Monthly Review of Reviews* ,1903
