Great Russian Composers Peter Tchaikovsky:

The Life and Times of Peter Ilyich Tchaikovsky Jim Whiting, 2019-12-05 The most popular of all Russian composers Peter Tchaikovsky is probably best known for his ballets Swan Lake Sleeping Beauty and Nutcracker are still performed worldwide But a good part of Tchaikovsky's career was spent writing operas Eugene Onegin and The Queen of Spades are two of his better known works A precocious child Peter could read French and German by the age of six At seven he wrote verses in French In school he studied to be a lawyer It was not until he was twenty one years old that he turned his focus to music But this man who made such beautiful melodies was unhappy most of his life He was terrified when he stood in front of an orchestra He had an unrealistic fear that his head would fall off and he actually held his left hand under his chin to keep his head attached However he left a great legacy of beautiful music From the diaries and letters he wrote we know about the life of Peter Tchaikovsky In this book young adults are introduced to one of the greatest composers of all time

Forty Songs by Peter Ilyitch Tchaikovsky Peter Tchaikovsky, 2018-06-14 From the biographical introductory Peter Ilyich Tchaikovsky if not the most Russian is certainly the greatest of Russian composers The only organized musical speech of this mighty nation owes its initial impulse to Mikhail Glinka for like Weber he lovingly plucked from the soil native wild flowers and gave them a place in his Russian and Lzfe for the Czar With him and representing the old Russian school are Alexander Daijomisky and Alexander Seroff while the Neo Russians include the names of C sar Cui Rimski Korsakoff Borodin Balakireff Liadow Glazounow Stcherbatcheff Arensky Moussorgsky Rachmaninoff Scriabine and others Outside of this pale and viewed with suspicious eyes stand the figures of Anton Rubinstein who went to Germany and

made music more Teutonic than Russian and Peter Ilyich Tchaikovsky with French and Polish blood in his veins Tchaikovsky sometimes said great things in a great manner Yet we feel that the manner often exceeds the matter that his manipulation of mediocre thematic material often leads our judgment astray but at his best when idea and execution are firmly welded this man is a great man one who felt intensely suffered sadly and drank deeply at the acid spring of sorrow Not so logical or so profound a thinker as Brahms he is more dramatic more intense and displays more surface emotion We miss the mighty sullen ground swells of feeling in Tchaikovsky but he paints better than the Hamburg composer his brush is dipped in more glowing colors his palette more various in hues while the barbaric swing of his music is occasionally tempered by European culture and restraint Reticent in life in his art he overflows No composer except Schumann tells us so much of himself Every piece of his work is signed and he does not hesitate to make the most astounding confessions He fulfilled in his music much that Rubinstein left undone Rubinstein was really a Teutonic mind Russianized but unlike Rubinstein Tchaikovsky despite his Western culture kept his skirts fairly free from Germany Her science he had at his finger tips but he preferred to remain Russian His ardent musical temperament was strongly affected by France and Italy He loved the luscious cantilena of Italy and worshipped at the strange shrine of Berlioz Indeed Berlioz and Liszt are his artistic sponsors and the French strain in his blood must not be overlooked It counted in his talents as surely as it did in Chopin s whose father was half French In his later years as if his own clime had chilled his spirit Tchaikovsky solaced himself in Italy and Spain a not incurious taste in a stern Northman Despite his Western affiliation there is always some Asiatic lurking in his scores One can never be quite sure when the Calmuck which is said to be skin deep in every Russian will break forth Gusts of unbridled passion recalling Gogol s wild heroes of the steppes sweep across his pages and sometimes the odor of carnage is too much for us unaccustomed as we are to such a high noon of rout revelry and disorder
