and Presentations** Philip Collins, 2012-05-07 Be memorable Whether you like it or loathe it public speaking is something
many of us have to do Be it presentations to colleagues or speeches to a room full of near strangers we all want to shine or at
least get through it with our dignity intact Luckily Philip Collins former Chief Speech Writer to Tony Blair knows exactly what
s needed to give a storming speech The secret according to Philip is content Too many of us focus on how we re presenting
and don t spend enough time thinking about what we re presenting The secret to memorable polished speeches is to think
more about the material you re sharing to pay attention to detail and choose your words carefully Speech writing is an art
and an art we can all learn When the content s right the confidence will follow In **The Art of Speeches and Presentations** Philip
Collins provides you with a concise set of tools preparing you for any speaking occasion Ranging from the ancient history of
rhetoric to what makes Barack Obama such a good speaker it s packed with practical examples and tips to teach you the
craft of speaking well and making people remember what to say Does Phil Collins know what he is talking about Here s the
answer he isn t just good he is the best It s as simple as that I spent years writing speeches for major politicians and I now
speak publicly myself all the time and yet there is so much that I can pick up from him and anyone who reads this book will
