**Reports from Select Committees of the House of Commons, and Evidence, Communicated to the Lords** Great Britain. Parliament. House of Lords,1841      **Swindon** John Cattell,Keith Falconer,2000 In the pioneering days of early Victorian railway engineering the decision of Gooch and Brunel to locate an engine house and works just to the north of Swindon led to the creation of a sizeable engineering enterprise and a new settlement This book is the result of a project commissioned in 1984 when many of the works buildings came under threat By looking at the buildings themselves it traces the architectural history of the railway engineering works and the associated railway village A fascinating guide revisiting one of Britain s finest monuments to the early days of the railway age      **Report from the Select Committee on Railways (rates and Fares)** Great Britain. Parliament. House of Commons. Select Committee on Railways,1844      Journals of the House of Commons Great Britain. Parliament. Woods,2017-11-22 A fascinating tale of a young school boy s exploits in his quest to spot every steam locomotive in the UK during the 1950s such as the Castleford Snow occurrence contretemps with a herd of Bullocks run ins with the law and shed foremen sleeping rough on many occasions a scary walk over Crumlin viaduct our coach catching fire on the M1 plus many more we visited locomotive sheds over 600 times during which I recorded in excess of 21 000 engines We travelled by any means available coach bus mini bus bicycle car motorbike train ferry and a lot of hitchhiking The latter including one such ride on a 9F which took me right into the shed I was about to bunk We would take every opportunity to be by our beloved steam engines daily on the way to from school then again in the evenings and every 2 3 weeks off an a tour somewhere in the UK some of these lasted 4 5 days often with rather dubious overnight accommodation these tours were to all parts of the UK from South Wales to Aberdeen the Northwest Northeast Midlands North Wales south to Brighton Southampton Isle of Wight West country and dozens of other locations The book has full colour card covers is A4 portrait style of 185 pages and over 100 B W photos At the end of the text are two appendices the first lists every shed visited and the relevant dates the second lists in chronological order every locomotive seen its shed and date Barrie      *Second Report from the Select Committee on Railway Acts Enactments* Great Britain.
