Napa Wine Charles L. Sullivan,2008-10-01 Charles Sullivan s Napa Wine A History is the engaging story of the rise to prominence of what many believe to be the greatest winegrowing area in the Western hemisphere This new edition completes that picture bringing to light more than a decade of dramatic changes and shifted norms visited upon the valley from pholoxera wasted vineyards to High Court officiated territorial battles told in a rousing transportive narrative Beginning in 1817 with the movement of Spanish missions into the San Francisco Bay area Sullivan winds his way through the great wine boom of the late 19th century the crippling effect of Prohibition and Napa s rise out of its havoc to its eventual rivaling of Bordeaux in the judgments of 1976 and 2006 Published in cooperation with the Napa Valley Wine Library the book includes historic maps charts of vineyard ownership and vintages from the 1880s to present **Madeira** Alexander

Liddell,2014-01-09 Who does not know the phrase Have some madeira m dear Madeira is one of the world s greatest wines with a fascinating history few others can equal Capable of evolution over decades and with seemingly indefinite longevity precious centenarian bottles are sought by wine connoisseurs world wide but to the ordinary wine lover more commercial wines offer a wide range of delicious and varied drinking Once dismissed as a cooking wine discriminating drinkers enjoy it on its own and increasingly as an accompaniment to food Over a million tourists visit this small island every year and expanding export markets indicate that the recent revival of interest in madeira continues to gain strength This book originally published in 1998 was short listed for the Andr Simon Award and quickly established itself as a wine classic Alexander Liddell recognised as the leading authority on madeira has known the island and its wine for over forty years and this completely revised new edition brings matters up to date She Planted a Vineyard Stacy Cox Keelin,2022-03-10 The pre eternal trinity the creation of the world the hand sculpting of man and the plan to redeem mankind are presented to set forth the wonder on which the book rests The narrative then moves to a verse by verse exegesis of Proverbs 31 which reveals the book s inspiration It is written in an atypical style that includes touches of whimsy The discourse is more thought provoking than conspicuous The weaving of the vineyard theme commences from there with a nuanced application of the biblical narrative found in John 15 The journey continues into a storehouse of wines each categorized by their character The reader starts with a sampling of the Good Wines which is the custom of the ancient day wedding feast Other selections include the Memorable the Household and the Varietals There is even a small selection of Boxed Wines to peruse through It is all topped off with a Pairing of Wine With Your Course tutorial The happy ending sends the reader off into the world with a small serving of Dessert Wine a short sweet essay crafted to linger in the mind But not before a poetic finale with a celebratory toast being raised to the Most High God The reader will close the book with an uplifted and inspired heart
