Agricultural Research Service. Human Nutrition Research Branch,1955 **Leisure and Food** Heather Mair,Jennifer Sumner,2017-10-02 Leisure and food seem to be a natural fit but the recent unprecedented focus on all aspects of food has not been reflected in the field of leisure studies This book is the first to combine these vital aspects of human interest by exploring the interface between leisure and food in a number of areas For example it examines sports nutrition products which straddle the boundary between junk and food It also looks into hosting sustainable meals and what eaters can learn about sustainable food choices and food citizenship It visits ethnic restaurants and inquires about the authenticity of eatertainment experiences from both the supply and demand side And it takes up gardening while investigating questions of

food security social capital gardening narratives and the role of place The book concludes with a dynamic reflection that sums up these leisure and food practices and sites and challenges us to continue these debates This book was published as a special issue of Leisure Loisir *Good Health* ,1928 *Foods for Health : Report of the Pilot Program* National Heart, Lung, and Blood Institute.
