*Our Century* Jan Tuckwood,2000 Tall tales and a short history In Palm Beach County and the Treasure Coast most of the recorded history occurs in one century 1900 to 2000 Before the late 1800s only Indians and soldiers roamed the hostile wilderness south of Sebastian Inlet The U S Census of 1830 recorded just 517 people in all of South Florida and the map makers showed Lake Okeechobee as a tiny dot Nobody dared go down into that beast filled swamp to check it out But slowly the civilized world made its way to this wonderland The Jupiter Lighthouse began beaming in 1860 15 years after Florida became the 27th state in the union By 1876 the U S government had built nine houses of refuge for mariners including Gilbert s Bar on Hutchinson Island and Orange Grove in Delray Beach Gilbert s Bar is still standing the oldest building in Martin County What lured the pioneers here Why did they spend harrowing days and nights sailing and poling through narrows and swamps to get to this insect infested jungle Simple True grit and true beauty As Captain Bravo who sailed a steamer from Sebastian to Jupiter in the late 1880s would tell visitors See Lake Worth and die happy YVhen Henry Flagler arrived in 1893 he called the Lake Worth region a ver itable paradise And then he had a vision He would bring his railroad all the way down to Miami even as far as Key West And he would turn Palm Beach into the most hifalutin resort in the world The Standard Oil tycoon launched the 20th century in the Treasure Coast and Palm Beach County But he was not the most important person of the century That title goes to the millions of men and women great and small who developed a frontier into a place so desirable that today s greatest problem is what to do with all the people Our Century honors them and highlights major events of the past 100 years Dust jacket flap      **The Congregationalist** ,1919      *Report of the Board of Education* Connecticut.
