The Great Hotel Robbery John Minahan,1982      **The Man Who Robbed the Pierre** Ira Berkow,2014-08-12 This Pulitzer Prize winning author s true account of the thief behind the famed 1972 heist is an engrossing crime biography and a fast paced romp Kirkus Reviews Growing up in Rochester New York Bobby Comfort wanted to be a good something It just so happened that he was great at being a criminal In January 1972 men in tuxedos robbed the Pierre the luxurious Manhattan hotel and got away with eleven million dollars worth of cash and jewelry The police were baffled by how such a large scale operation could go off so smoothly The answer lay in the leader of the thieves a man by the name of Bobby Comfort He had taken to crime from a young age with card sharpening and petty theft Eventually taking money from the rich was where he excelled Sort of like Robin Hood except for the part where he kept the loot himself Comfort masterminded what was at the time the most lucrative heist in history while appearing to his neighbors like an ordinary suburban family man In this blend of insightful biography and true crime Pulitzer Prize winning journalist Ira Berkow chronicles the story using first hand accounts to weave together a fascinating portrait of a criminal and a corking good cops and robbers tale Library Journal

H., Or the Confessions of a Thief; Written by Himself, and Revised by T. L. Holt** John HORSLEYDOWN (pseud.),1860      The Greatest Heist Stories Ever Told Tom McCarthy,2019-08-30 Crime does pay At least for a while You ll see that quickly in these nine compelling and true stories of brilliant plans and guile The thieves awaiting you seem to have it all They are clever cool and determined with icy resolve It took a lot of guts and nerves of steel to do what they did and not fold under the pressure After all if those hard wrought plans had failed they would have had plenty of time to think about what went wrong in prison Hijack an airplane demand a ransom and two parachutes then disappear Invent a device that allows you to record the combination of any bank vault then break into bank vaults twice Steal from a secret mob depository run by a boss known for his brutality Rob a small town bank in midday and ride off without a second thought Piece of cake The Greatest Heists Stories Ever Told will allow readers to appreciate the efforts that go into a truly magnificent heist It is a celebration of stunning well planned and audacious capers that left police and armies of investigators looking for answers and scratching their heads Among the stories included are The Lufthansa Heist The Northfield Bank Robbery The Last Good Heist Hijack DB Cooper s Great Escape and many others

*Forests of the Night* John Minahan,2000-09 This is the haunting and exquisitely crafted mystery of Eddie Conroy a brilliant but homeless middle aged man living in New York Working as a dishwasher after a long military career Conroy suffers from a multiple personality disorder that has no known cure alternating from the defensive posture of a street smart functional illiterate to the highly visible stature of an animal rights advocate When a 500 pound male Bengal tiger escapes

from the Central Park Zoo during an animal rights demonstration Conroy's close friend is brutally killed by the animal A logistical nightmare develops for the police who must take the unprecedented step of closing the park to all pedestrian and vehicular traffic until the tiger is captured or killed After several days and nights of intense searching by police officers the hungry and disoriented animal is spooked by gunfire And virtually all attempts at control and protection are lost Throughout the upper East Side a panic ensues exacerbated by sensation seeking media coverage Mr Minahan draws indelible and thought provoking parallel lines between the instinctive actions of the tiger and the intuitive insights of Eddie Conroy linking their lives in a compelling metaphysical alliance that is difficult to forget
