Great Jews On Stage And Screen:

Nostalgia in Jewish-American Theatre and Film, 1979-2004 Ben Furnish, 2005 Nostalgia a bittersweet yearning for the past is an important element in Jewish American performances of the late twentieth century Numerous plays and films of this time use nostalgia to engage Jewish including Yiddish cultural themes and images Nostalgia offers audiences a window through which to examine past and current social changes These include American Jews departure from Europe to America the city for the suburbs Yiddish for English as well as the civil rights women s peace and gay and lesbian movements and other transformations These performances illustrate how theatre and film transmit culture from generation to generation and between one ethnic community and the wider American scene *Great Britons of Stage and Screen* Barbara Roisman

Cooper, 2015-10-01 Although there are encyclopedias and biographical dictionaries of contemporary British film and theatre actors most lack the intimacy of face to face interviews Typically drawn from secondary sources collections of interviews often repeat tired anecdotes about an actor s film or stage roles with very little nuance or fresh insights *Great Britons of Stage and Screen In Conversation* features interviews with some of the leading actors of the last fifty years and more In this collection Barbara Roisman Cooper presents interviews she personally conducted with more than twenty stars of film television and theatre Held in intimate surroundings including the actors private homes and theatre dressing rooms between performances these interviews provide readers with a rounded understanding of the creative process and the dedication required to develop a performance Including many well known Oscar Tony Olivier and BAFTA winners each interview is preceded by a short introduction and followed by the performer s most significant credits both on the stage and screen The actors and actresses who shared their stories in this volume include Dame Eileen Atkins Isla Blair Simon Callow Dame Joan Collins Peggy Cummins Sin ad Cusack Samantha Eggar Stephen Fry Julian Glover Stephen Greif Jeremy Irons Sir Derek Jacobi Felicity Kendal Sir Ben Kingsley Dame Angela Lansbury Sir John Mills Alfred Molina Lynn Redgrave Jean Simmons David Suchet Richard Todd Michael York Designed to serve as a resource for those studying or writing about the worlds of theatre and film in general and the art and craft of acting specifically *Great Britons of Stage and Screen* will also appeal to the many fans of the artists who have entertained audiences for decades **Jewish Women on Stage, Film, and Television R.**

Mock, 2016-09-27 This book exposes and traces a previously unrecognized performance tradition of extraordinary Jewish women in the Diaspora from Rachel and Sarah Bernhardt in Nineteenth Century France to Roseanne and Sandra Bernhard in late Twentieth Century America **American Literature on Stage and Screen** Thomas S. Hischak, 2014-01-10 The 525

notable works of 19th and 20th century American fiction in this reference book have many stage movie television and video adaptations Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium In addition to famous novels and short stories by authors such as Nathaniel Hawthorne F Scott Fitzgerald and Willa Cather many bestsellers mysteries

children s books young adult books horror novels science fiction detective stories and sensational potboilers from the past two centuries are examined **Great Jews on Stage and Screen** Darryl Lyman,1994 **From the Lower East Side to Hollywood** Paul Buhle,2004-06-17 A lively extensively illustrated history of the widespread influence of Jews on American popular culture through the twentieth century *The American Hebrew* ,1928 **American Jewish Films** Lawrence J. Epstein,2013-04-06 This is a thematic survey of American films with significant Jewish content that made an important statement about America Both familiar and lesser known films are included An introduction discusses why American Jews were attracted to films as audiences performers and business people and evaluates how films help audiences think about their lives The book then focuses on themes and representative and important films placing them in their cultural contexts One of the aspects of American Jewish life brought out by the films in general is the tensions between an American and a Jewish identity and between a Jewish identity and a broader human identity Other themes are assimilation and acculturation interfaith relations Israel marriage and family relations the role of women Jews and American politics and anti-Semitism including the Holocaust **Ben Hecht's Theatre of Jewish Protest** Garrett Eisler,2025-01-14 Ben Hecht is most remembered as a famous Hollywood screenwriter and Broadway playwright but only recently has his extensive Jewish activism during the Holocaust and its aftermath received scholarly attention Unlike other more expansive Hecht biographies this book focuses in depth on his Jewish political theatre drawing on extensive archival research of four dramas *We Will Never Die* 1943 *A Jewish Fairy Tale* 1944 *A Flag Is Born* 1946 and *The Terrorist* 1947 Garrett Eisler s readings of these little known and out of print texts reclaim them as pivotal to the history of Jewish American drama being among the first works of U S theatre to address the Holocaust The full texts of all four works are republished here for the first time along with production details and full performance histories Hecht introduced a new heroic Jewish identity to the American stage one that challenged popular stereotypes of villainy or weakness This powerful and still controversial body of work stands as a striking testament to the power of theatre to rise to the moment The book also features a supporting cast of famous collaborators on these projects including Paul Muni Edward G Robinson John Garfield Moss Hart Kurt Weill and a young Marlon Brando In their use of the stage to aggressively engage with history as it was happening the story of Hecht and his colleagues is a compelling case of artists who made a difference *Jews at Home* Simon J. Bronner,2010-05-27 A multifaceted exploration of what makes a home Jewish materially and emotionally and of what it takes to make Jews feel at home in their environment *American Standard* ,1924 **Walford's Guide to Reference Material: Generalia, language and literature, the arts** Albert John Walford,Marilyn Mulla,Priscilla Schlicke,Library Association,1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are
