Great Mural:

The Hovey Murals at Dartmouth College Brian P. Kennedy, 2015-10-06 Dartmouth College is in the unique position of having a magnificent large fresco by the Mexican muralist Jos Clemente Orozco 1883 1949 adorning the campus library Completed by the artist in 1934 and titled The Epic of American Civilization this work was promptly condemned by many alumni as being too critical of the college and academia In response to Orozco s work the illustrator and Dartmouth alumnus Walter Beach Humphrey 1892 1966 persuaded President Ernest Martin Hopkins to allow him to create another mural that would be more Dartmouth in character Humphrey painted his mural four years after the completion of Orozco s frescoes on the walls of a faculty dining hall or grill at the college Based on a drinking song by Richard Hovey Dartmouth Class of 1885 it depicts a mythical founding of the college by Eleazar Wheelock In the first panel Wheelock pulling along a five hundred gallon barrel of rum is happily greeted by young American Indian men whom he introduces to drunken revelry The encounter which takes place as the mural circles the grill room also features many half naked Indian women one of whom reads Eleazer s copy of Gradus ad Parnassum upside down Fast forward to the early 1970s and the introduction of the Native American Program and co education at Dartmouth College the Hovey Murals as the work was known became so controversial that they were covered over and the room itself closed This book aims to provide not only the history and art history of this mural but also its wider cultural and historical contexts The existence of both Orozco s fresco and Humphrey s mural on a college campus provides a unique juxtaposition of certain extremes of 1930s mural art As such their creation represents an important and fascinating historical moment while bringing into sharper focus some of the issues surrounding the politics of art and images This book is intended as a textbook for those studying these murals and also as a guide to understanding how they fit into a troubling and difficult history of envisioning Native Americans by non natives in American literature and popular art

The White Shaman Mural Carolyn E. Boyd, Kim Cox, 2016-11-29 Winner Society for American Archaeology Book Award 2017 San Antonio Conservation Society Publication Award 2019 The prehistoric hunter gatherers of the Lower Pecos Canyonlands of Texas and Coahuila Mexico created some of the most spectacularly complex colorful extensive and enduring rock art of the ancient world Perhaps the greatest of these masterpieces is the White Shaman mural an intricate painting that spans some twenty six feet in length and thirteen feet in height on the wall of a shallow cave overlooking the Pecos River In The White Shaman Mural Carolyn E Boyd takes us on a journey of discovery as she builds a convincing case that the mural tells a story of the birth of the sun and the beginning of time making it possibly the oldest pictorial creation narrative in North America Unlike previous scholars who have viewed Pecos rock art as random and indecipherable Boyd demonstrates that the White Shaman mural was intentionally composed as a visual narrative using

a graphic vocabulary of images to communicate multiple levels of meaning and function Drawing on twenty five years of archaeological research and analysis as well as insights from ethnohistory and art history Boyd identifies patterns in the imagery that equate in stunning detail to the mythologies of Uto Aztecan speaking peoples including the ancient Aztec and the present day Huichol This paradigm shifting identification of core Mesoamerican beliefs in the Pecos rock art reveals that a shared ideological universe was already firmly established among foragers living in the Lower Pecos region as long as four thousand years ago Samuel Veta,Barry Kohl,2005-07 A young Hollywood detective becomes drawn into an attempted murder case The intended victim is still unknown however it could be any of three people who just happen to have strong ties in the Hollywood community Everyone tied To The case who needs to be interviewed also has the power to advance a struggling hopeful s career The detective just happens to be a hopeful screenwriter himself Now he must weigh the scales of justice does he interview the witnesses and let justice be served Or Does he follow the path of everyone else in Hollywood and pitch his screenplay to his victims of foul play Good Furniture and Decoration ,1929 *The Editor; the Journal of Information for Literary Workers* ,1913 The Encyclopædia Britannica ,1893 *Seeing and Knowing* Geoffrey Blundell,Christopher Chippindale,Benjamin Smith,2016-06-16 The purpose of *Seeing and Knowing* is to demonstrate the depth and wide geographical impact of David Lewis Williams contribution to rock art research by emphasizing theory and methodology drawn from ethnography Contributors explore what it means to understand and learn from rock art and a contrast is drawn between those sites where it is possible to provide a modern ethnographic context and those sites where it is not This is the definitive guide to the interplay between ethnography and rock art interpretation and is an ideal resource for students and researchers alike *The Encyclopaedia Britannica* Thomas Spencer Baynes,1879 **Hearst's** ,1918 *The Encyclopaedia Britannica* ,1890 *The Encyclopaedia Britannica* Day Otis Kellogg,Thomas Spencer Baynes,William Robertson Smith,1902 **Bring the Magic Home** Sunny Chanel,2024-10-15 For Disney dreamers and doers alike this inspirational book is a practical how to guide to infuse your personal spaces with wonder and whimsy Disney theme parks are immersive environments part living museum part botanical garden and part interactive art exhibition Most of all they re places to find inspiration to enhance everyday life Sprinkled throughout these parks are visual cues and vignettes with ingenious ideas Sparks of design brilliance are everywhere From the way the edible landscaping is arranged in Tomorrowland to the use of ornate Victorian wallpaper in the foyer of the Haunted Mansion there are so many ways to bring the magic home A mix of Disney history interior design garden design and DIY project studies this visually detailed coffee table book charts how to infuse your personal spaces with the wonder and whimsy found at Disneyland and Walt Disney World It also looks at those who created the elements that serve as our muse Walt Disney Imagineers both past and present who mostly work discreetly behind the scenes shrouded in mystery In this peek behind the curtain find out more about their special brand of magic Inside look for Each chapter as dedicated to a theme based on select attractions from around the
