Great Nations Still Enchained The Cartoonists Vision Of Empire 1878 1914:

Great Nations Still Enchained Dr Roy Douglas, Roy Douglas, 2013-04-15 The grandeur of the great imperial powers of the nineteenth century Britain France Germany Russia Austria Hungary and even the burgeoning United States was constantly subverted by the cartoonists of the day As Roy Douglas reveals cartoons are often more accurate guides to popular feelings than the newspapers in which they appeared In this his third look at history through the eyes of the cartoonist Roy Douglas provides a clear historical narrative which explains the subtle meaning below the surface of the cartoons Taken from the period leading to the First World War these cartoons are as fresh and often as shocking as the day they were drawn

Liquidation of Empire R. Douglas, 2002-07-16 In 1945 Britain emerged as one of the Big Three victors of the Second World War Most people in Britain and elsewhere seem to have assumed that the British Empire would endure for a very long time to come Yet within twenty years British power and influence had been enormously reduced This book studies the causes and course of the process *Taxation in Britain since 1660* R. Douglas, 1999-06-25 The amount collected in taxation the items which have been taxed and the classes of people on whom the tax burden has fallen have all changed greatly in the period from the Restoration to the present This book considers how and why these changes took place and some of the consequences which have flowed from them *Books in Print Supplement* ,2002 *Subject Guide to Books in Print* ,1993

Arts & Humanities Citation Index ,1998 *The Great War, 1914-1918* Roy Douglas, 1995 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare s *A Comedy of Errors* Miola s edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play s debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficultly accessible journals newspapers and other sources This collection brings together these essays for the first time
