## Great Puppy:

**15 Minutes to a Great Puppy** Kevin Michalowski, 2005-03-07 Discover the 15 Minute Miracle Puppies bring great joy to our lives but they also present us with special challenges Everyone wants a well behaved dog that is a joy to be around but who has time for training a puppy You do and if you do it right it will only take 15 minutes of your time each day Kevin Michalowski s formula for a great puppy is a proven winner for time strapped pet owners He teaches us that dog training is all about short effective sessions His plan is so simple and easy that anyone can follow it This book is a must have for anyone who is thinking about getting a puppy It is packed with great practical information to help you get ready for your new dog to help you with all the basic training lessons You ll discover how to Prepare yourself mentally and physically for getting a dog Pick the right puppy for your lifestyle includes a quick reference breed guide Housebreak your dog that easy way thanks to the crate and the schedule Teach the four basic commands Sit Come Heel and Down Cure problems such as chewing jumping and aggression Monitor your dog s health and give it a happy life Your puppy will become your best friend and with just 15 minutes of training per day he can also become the well behaved dog of your dreams *15 Minutes to a Great Dog* Kevin Michalowski, 2005-11-08 You Now Have Time to Train a Dog All it takes is 15 minutes This expanded second edition shows dog owners proven effective tips for training any dog in just minutes a day You don t need special skills or expensive equipment and you don t need hour upon hour of free time Short simple training sessions work best Teaching any dog basic obedience skills can be done just about anywhere and will work on dogs of all ages and breeds Repetition and consistency are the keys to making dogs behave This expanded edition not only provides proven tips anyone can use it also includes an expanded chapter on canine nutrition and information on traveling with your pet Take the drudgery out of training keep the training fun for both you and the dog and watch the amazing results in as little as 15 minutes each day *Good Puppy* Academics Margie Cantwell, 2012-09-17 This book was written for people who feel overwhelmed confused or simply turned off by all the conflicting dog training methods available to us today There is so much information created by people on the subject that it is difficult to sort out who s right who s wrong what works and what doesn t work I have designed this simple book to touch on the basic things that apply to all dogs and their owners because it s not my way it s nature s way a sensible universal place to start regardless of what kind of dog or puppy you have because it s encoded in their genes As an educator I enjoy teaching people how to live more balanced lives with their pets because I believe dogs are meant to be in our lives as stress reducers not stress producers People should have a pet to enjoy them not to annoy them If your dog is causing you stress chances are you are doing the same to him Who you are and how you interact on a daily basis with your dog will determine what kind of leadership style you represent and what kind of feedback your dog will give you in return Good Puppy Academics incorporates the science of the mind along with canine psychology to achieve a balance that enhances the human and canine partnership You will discover how pain versus pleasure problem solving and having the no skill no kill mentality

can help you to tap into your dog's primal intelligence and train your dog more efficiently and humanely because it's not my way it's nature's way

**Beyond Basic Dog Training** Diane L. Bauman, 2007-08-27  
Since its initial publication, *Beyond Basic Dog Training* has achieved well-deserved recognition as an innovative, unique guide to obedience instruction. Obedience authority Diane Bauman's proven training philosophy asserts that the time has come to go beyond training dogs and start teaching them to please us. This has made a vital difference for those who use her method and for dogs taught by it to succeed in competitive canine sports. In this new, updated edition, Bauman presents the most current knowledge on canine learning patterns. Believing that dogs learn by trial and error, Bauman provides a novel approach that encourages dogs to learn by removing corrections for incorrect responses. As a result, dogs do not fear failure and are taught to exercise options in a quest for the desired behavior. Bauman shows you how to become a thinking handler who can train the thinking dog. Her remarkable ability to view training from the dog's

perspective translates into an invaluable tool for building effective communication between you and your dog The instruction in this authoritative guide is behind Gaines Superdogs numerous obedience trial champions and a host of other canine successes If you want your dog to be happy confident stimulated and secure in the obedience ring Beyond Basic Dog Training is the book of choice     **Training the Disaster Search Dog** Shirley Hammond,2005-08 Disaster Search Dog DSD teams save lives Quick response to natural and man made disasters can mean the difference between life and death for trapped victims Highly trained Disaster Search Dog teams are an increasingly important component in response efforts to save lives in the face of terrorist attacks earthquakes and floods and training these teams has never been more important Detailed how to information to pass FEMA tests     **Dogdom** ,1907     **The Dog Rules** Kyra Sundance,2009-03-10 In this groundbreaking guide elite dog trainer Kyra Sundance reveals the path to helping your dog be a reliable partner and true member of your family Kyra a world acclaimed Stunt Dog Team performer nationally ranked dog sports competitor and movie dog trainer holds the human dog bond at the heart of her training method She cares for her dogs with tenderness trains them thoroughly and inspires them to excel If you re battling the same problems with your dog over and over then the training method you re using isn t working Instead of more training what s needed is better training Kyra s whole dog approach looks beyond sterile training methods that manipulate through reward and punishment and instead advocates humane behavior modification techniques to establish expectations without compromising love Her principles such as One Command One Consequence Focus on the Solution Not the Problem and Praise Touch Treat in That Order empower readers with a clear strategy and the tools to enact real change Kyra s method does not suppress natural behaviors and teach subservience Instead it fosters confident happy dogs who are motivated to do the right thing rather than fearful of making a mistake The Dog Rules shows us us how to develop joyful relationships with dogs who balance enthusiasm and self control
