commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today This series examines theological and ethical issues that confront church and society in our own particular time and place     Eight sermons for Holy week and Easter, tr. by G.F. Crowther Louis Bourdaloue,1884     *Sermons* Ephraim Peabody,1857     **Sermons Preached in Bethesda Chapel, Dublin** William Henry Krause (A.M.),1856     *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5* Hughes Oliphant Old,2004 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen
