A Nightmare Awakens Drac Von Stoller, 2024-09-28

Kevin Stoller had always been a skeptic Growing up in the digital age he prided himself on his rational mind and scientific approach to life's mysteries Ghosts spirits and the paranormal were nothing more than fodder for campfire stories and cheesy horror flicks or so he thought Little did he know that his curiosity would soon lead him down a dark path one that would shatter his worldview and leave him questioning the very fabric of reality It all began on a stormy night in late October The wind howled outside rattling the windows of Kevin's suburban home He sat alone in the bonus room upstairs scrolling through his phone while a B grade horror movie droned on in the background The film Drac Von Stoller Presents Horrifying Tales From The Dead was more campy than scary but it stirred something in Kevin's memory a long buried recollection of his first brush with the unknown As lightning illuminated the room in brief stark flashes Kevin found himself drawn to the Google Play store His fingers moved almost of their own accord searching for something he didn't quite understand And then there it was an EVP Electronic Voice Phenomenon app The description promised users the ability to communicate with spirits from beyond the grave Kevin scoffed but a chill ran down his spine as he hit the download button While the app installed Kevin's mind wandered to that night so many years ago He was just a boy no more than seven or eight left in the care of a teenage babysitter and her friends The group bored and looking for thrills had decided to hold a séance Kevin remembered how he'd huddled in the corner both terrified and fascinated as the older kids set up candles and began to chant At first nothing happened But as the storm outside intensified so did the atmosphere in the room The candles flickered and danced casting eerie shadows on the walls And then without warning they went out In the pitch darkness Kevin heard gasps and screams When someone finally managed to turn on a light they saw that the curtains were swaying violently despite all the windows being closed The babysitter and her friends had quickly shut down the séance laughing nervously and trying to brush off the incident But Kevin knew what he had seen what he had felt Something had been in that room with them something ancient and hungry Shaking off the memory Kevin refocused on his phone The EVP app was ready as he opened the attic door stepping inside and closing the door behind him He hesitated for a moment his finger hovering over the icon Was he really going to do this With a deep breath he tapped the screen The app's interface was simple a red Record button and a list of

suggested questions Kevin cleared his throat feeling slightly foolish Is anyone here he asked his voice barely above a whisper Silence He was about to try again when a floorboard creaked behind him Kevin whirled around his heart pounding but the room was empty Chuckling nervously at his own jumpiness he turned back to his phone and hit the playback button At first there was nothing but static And then faintly almost imperceptibly a voice Jack Kevin s blood ran cold He played it again cranking up the volume There was no mistaking it a raspy otherworldly voice had spoken directly into his phone Jack it repeated sending shivers down Kevin s spine He should have stopped there He should have deleted the app and left the attic and called a friend But curiosity that damnable human trait drove him forward Over the next few weeks Kevin became obsessed with the EVP app He used it in every room of the house at all hours of the day and night Sometimes he caught nothing but static but other times other times he heard things that defied explanation Whispers in the dark Childlike giggles And always always that name Jack Kevin s wife Mary grew increasingly concerned She noticed the dark circles under his eyes the way he jumped at every little sound You need to stop this she pleaded one night It s not healthy But Kevin couldn t stop He was too close to something He didn t know what exactly but he could feel it a growing presence in the house watching waiting It was around this time that Kevin remembered the tombstones *School Library Journal* ,2006
