Hebrew Bible or Old Testament and not as a living growing body of faith and practice Where our understanding of early Judaism is limited to the religion reflected in the Hebrew Bible Jesus will appear more as an outsider speaking against Judaism and introducing more that is novel Where our understanding of early Judaism is also informed by the Apocrypha and Pseudepigrapha we will see Jesus and his half brothers speaking and interacting more fully within Judaism By engaging critical issues in this comparative study deSilva produces a portrait of Jesus that is fully at home in Roman Judea and Galilee and perhaps an explanation for why these extra biblical Jewish texts continued to be preserved in Christian circles
