The Great Cat Massacre Robert Darnton, 2009-05-12 The landmark history of France and French culture in the eighteenth century a winner of the Los Angeles Times Book Prize When the apprentices of a Paris printing shop in the 1730s held a series of mock trials and then hanged all the cats they could lay their hands on why did they find it so hilariously funny that they choked with laughter when they reenacted it in pantomime some twenty times Why in the eighteenth century version of Little Red Riding Hood did the wolf eat the child at the end What did the anonymous townsman of Montpelier have in mind when he kept an exhaustive dossier on all the activities of his native city These are some of the provocative questions the distinguished Harvard historian Robert Darnton answers The Great Cat Massacre a kaleidoscopic view of European culture during in what we like to call The Age of Enlightenment A classic of European history it is an essential starting point for

understanding Enlightenment France [The Great Cat & Dog Massacre](#) Hilda Kean, 2017-03-14 The tragedies of World War II are well known But at least one has been forgotten In September 1939 four hundred thousand cats and dogs were massacred in Britain The government vets and animal charities all advised against this killing So why would thousands of British citizens line up to voluntarily euthanize household pets In *The Great Cat and Dog Massacre* Hilda Kean unearths the history piecing together the compelling story of the life and death of Britain's wartime animal companions She explains that fear of imminent Nazi bombing and the desire to do something to prepare for war led Britons to sew blackout curtains dig up flower beds for vegetable patches send their children away to the countryside and kill the family pet in theory sparing them the suffering of a bombing raid Kean's narrative is gripping unfolding through stories of shared experiences of bombing food restrictions sheltering and mutual support Soon pets became key to the war effort providing emotional assistance and helping people to survive a contribution for which the animals gained government recognition Drawing extensively on new research from animal charities state archives diaries and family stories Kean does more than tell a virtually forgotten story She complicates our understanding of World War II as a good war fought by a nation of good people Accessibly written and generously illustrated Kean's account of this forgotten aspect of British history moves animals to center stage forcing us to rethink our assumptions about ourselves and the animals with whom we share our homes

The Great Cat Massacre - A History of Britain in 100 Mistakes Gareth Rubin, 2014-05-08 In 1914 a train pulled into a provincial British railway station The porter a curious chap asked the regiment of soldiers where they were from Ross shire one called down but the porter heard Russia And so began a rumor that led to Germany losing World War I Often the history we learn at school is only half the story We hear of heroic deeds and visionary leaders but we never hear about the people who turned up late for court and thereby changed the law or who stood in the wrong queue at university and accidentally won a Nobel Prize *The Great Cat Massacre A History of Britain in 100 Mistakes* demonstrates that the nation is as much a product of error as design Through chapters on religion law culture war science and politics it reveals such things as how an edict from Pope Gregory IX helped spread the Black Death how the sister of cricketer John Willes invented overarm bowling and how had a letter not been lost Disraeli might never have become prime minister This book is history told through human failings schoolboy errors bad luck and extraordinary consequences a history of mishearing misdiagnosis and misinterpretation a history that you won't find in the textbooks
