The Hebrew Idiom of Permission Troy J. Edwards, 2022-08-25 We appropriately use the Bible as our foundation for all Christian belief and practice because we rightly recognize it as God's written Word Why then is there such a lack of clarity on the God that this book is supposed to reveal to us within its pages Why does He claim to be good compassionate and merciful while He is accused of hardening hearts tempting people causing sickness and accidents etc in so many other places The issues arise from our failure to accurately understand and apply the idiom of permission to our reading and study of this holy text In this book Pastor Troy J Edwards provides the scholarly evidence that the Bible uses the idiom of permission frequently and he discusses how the application of this idiom will resolve many issues related to our understanding of God's character **Ten Sermons on the Second Advent** Ethelbert W. Persuasiveness of Literary Forms Ferdi P. Kruger, 2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew s Gospel and the Hebrew sermon The book s uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice

Alexander, 2013-05-22 Table of Contents Principles of the Kingdom of God Title Page Table of Contents Preface Introduction To Principles of the Kingdom of God God Is Real Who and What Is God Introduction Names of God In the Old Testament Names of God In the New Testament The Father The Son The Holy Spirit Oneness of the Trinity Man Body Soul and Spirit The Soul The Body The Spirit The Principle of Faith More Things About Faith The Principle of Hope The Principle of Love The Principle of Spirituality Transference and Appropriation How God Transfers His Nature to You The Way He Removes Sin The Principle of the Father's Family The Principle of Prophecy and Prophets The Principle of Salvation Becoming a Son of God The Body of Christ The Principle of Resurrection Life Hell Hades Gehenna Sheol Satan His Nature Purpose and Spiritual Warfare The Lord's Supper and the Last Supper The Principle of Worship The Second Coming of Jesus Christ The Principle of Authority Over Futility Creators of a New Age Principles of the Kingdom of God is the title of this Book This Book explores spiritual principles as opposed to the principles of this present age In everyday life we are well familiar with the principles that operate here on the earth We know that when a door is shut we must open it in order to pass through We know that touching a hot stove will cause pain and a burn Science is aware of the rules and boundaries of the laws of

physics and chemists know the results of mixing elements together to cause a certain result Although there are many of the scientific laws of nature currently unknown to mankind he continues to strive to find answers and to reconcile the scientific world of which we are aware using out five senses What science does not understand or is unwilling to admit there is a realm beyond the certainties of this physical realm that is incapable of scientific proof That realm is called The Spiritual Realm Most deny its existence or if they mentally assent to the possibility that such a realm exists they know little about it and certainly don t apply it to their everyday lives or scientific pursuits Some look on such things as foolishness as the Apostle Paul said But a natural unspiritual man does not accept the things of the Spirit of God for they are foolishness to him and he cannot understand them because they are spiritually appraised 1 Corinthians 2 14 However as this book will attempt to point out the spirit realm is very much a real place actually more real than our physical world The spirit world has its own set of rules and principles that govern it However its ways are past finding out by the natural mind of man and thus invisible to those without spiritual sight The Apostle Paul said in the Bible because the human mind is hostile toward God for it does not subject itself to the law of God for it is not even able to do so Romans 8 7 Thus our intellect is useless in knowing anything beyond what we can see or touch Just taking the most basic of the spiritual laws the 10 commandments for instance who can argue that we all would be a little better off if everyone was able to follow these basic rules There would be no crime therefore no expensive jails to confine criminals The family unit which has been broken down in this generation would stay intact as children would respect their parents there would be no adultery to break up the family and coveting would all together cease There would be no serious disparity between the rich and the poor and the poor would be taken care of without great expenditure of funds to do so There would be no greed war competition etc just to name a few Jesus said that if we were to pray at all we should pray to God

The White Feathers Daniel Bryant,2024-12-18 In the tender twilight of a summer s day in 2016 as the world seemed to pause in a somber moment of farewell a white feather floated gently through the air in a small church marking the beginning of a journey that transcends the boundaries of belief and skepticism This is not just a story it s a testament to an ongoing experience that challenges the realms of what we see what we believe and what lies beyond our understanding *The White Feathers* chronicles a series of extraordinary events that followed the funerals of our beloved sister Rosie and brother Henry events that continue to unfold to this day eight years later in 2024 At its core this book is a narrative bridge between realms a gentle invitation to explore the depth of faith the reality of God s existence and the omnipresent love that envelops us all believers and nonbelievers alike

For those who already carry the light of faith within them may this story serve as a beacon reinforcing the strength of your beliefs and the certainty of God's love. We hope this journey of the white feathers not only resonates with your spirit but also deepens your connection to the divine, reminding you of the boundless grace that supports us through life's trials and triumphs. The White Feathers is an invitation to witness the extraordinary within the ordinary, to see the hand of God in the moments of profound silence and in the whispers of the world around us. Through this account we hope to share the message that God's love is boundless, transcending our earthly experiences and that the essence of Jesus Christ and the Holy Spirit is alive and active, reaching out to touch hearts and awaken souls. *Bible Readings for the Home Circle*, 1888
