Great Controversy Between Christ Sat:

The Great Controversy Between Christ and Satan Ellen Gould Harmon White, 2020-09-28 Before the entrance of sin Adam enjoyed open communion with his Maker but since man separated himself from God by transgression the human race has been cut off from this high privilege By the plan of redemption however a way has been opened whereby the inhabitants of the earth may still have connection with heaven God has communicated with men by His Spirit and divine light has been imparted to the world by revelations to His chosen servants Holy men of God spake as they were moved by the Holy Ghost 2 Peter 1 21 During the first twenty five hundred years of human history there was no written revelation Those who had been taught of God communicated their knowledge to others and it was handed down from father to son through successive generations The preparation of the written word began in the time of Moses Inspired revelations were then embodied in an inspired book This work continued during the long period of sixteen hundred years from Moses the historian of creation and the law to John the recorder of the most sublime truths of the gospel The Bible points to God as its author yet it was written by human hands and in the varied style of its different books it presents the characteristics of the several writers The truths revealed are all given by inspiration of God 2 Tim 3 16 yet they are expressed in the words of men The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants He has given dreams and visions symbols and figures and those to whom the truth was thus revealed have themselves embodied the thought in human language The ten commandments were spoken by God Himself and were written by His own hand They are of divine and not of human composition But the Bible with its God given truths expressed in the language of men presents a union of the divine and the human Such a union existed in the nature of Christ who was the Son of God and the Son of man Thus it is true of the Bible as it was of Christ that the Word was made flesh and dwelt among us John 1 14 Written in different ages by men who differed widely in rank and occupation and in mental and spiritual endowments the books of the Bible present a wide contrast in style as well as a diversity in the nature of the subjects unfolded Different forms of expression are employed by different writers often the same truth is more strikingly presented by one than by another And as several writers present a subject under varied aspects and relations there may appear to the superficial careless or prejudiced reader to be discrepancy or contradiction where the thoughtful reverent student with clearer insight discerns the underlying harmony As presented through different individuals the truth is brought out in its varied aspects One writer is more strongly impressed with one phase of the subject he grasps those points that harmonize with his experience or with his power of perception and appreciation another seizes upon a different phase and each under the guidance of the Holy Spirit presents what is most forcibly impressed upon his own mind a different aspect of the truth in each but a perfect harmony through all And the truths thus revealed unite to form a perfect whole adapted to meet the wants of men in all the circumstances and experiences of life God has been pleased to communicate His truth to the world by human agencies and He Himself by His Holy Spirit qualified

men and enabled them to do this work He guided the mind in the selection of what to speak and what to write The treasure was intrusted to earthen vessels yet it is none the less from Heaven The testimony is conveyed through the imperfect expression of human language yet it is the testimony of God and the obedient believing child of God beholds in it the glory of a divine power full of grace and truth

Patriarchs and Prophets Ellen G. White,1890 *The Great Controversy Between Christ And His Angels, And Satan And His Angels* Ellen Gould White,2014-09-15 There is perhaps no phase of the Christian church more peculiar to it nor one that more triumphantly demonstrates its perfect adaptation to human needs than its possession of what are known as spiritual gifts The presence of these gifts in the church of apostolic times is universally conceded They were not only recognized when they appeared but they were expected The leaders both instructed the churches as to the reception of these tokens of the divine presence and guidance and gave needed advice as to the order and decorum that were to govern their manifestation The exercise of the miraculous gifts was not intended in any way to supplant or even supersede the regular church officers On the contrary the gifts were designed to strengthen the hands of such officers and to quicken the spiritual life of the church as a whole They were gracious manifestations of the divine care evidences that the Spirit was doing His office work in the church and in times of doubt and uncertainty or of impending crisis a means for the direct communication of the divine will to the church

chapter provides practical steps for applying biblical principles to everyday challenges With its unique blend of pastoral wisdom and theological depth the book makes ancient doctrine relevant for today offering readers not just knowledge but actionable wisdom Beware the sirens of superficial faith fixating on hollow debates not Scripture s depths True discernment demands looking beyond tradition pride and half truths Critics may mock vigilance dismissing prophecy spiritual discipline or the cosmic conflict itself as relics or folly But complacency shipwrecks more souls than storms We sail past the sirens of superficiality here the rocks are real but so is the lighthouse Engage with humility test every insight against Scripture and the Holy Spirit s whisper or risk drifting into the very deceptions the book warns against Whether you re a seasoned believer seeking deeper understanding or a curious seeker exploring faith for the first time Faith Conflict and Resolution will inspire you to live with purpose stand firm in truth and joyfully anticipate Christ s return The stakes of The Great Controversy are eternal choose wisely lest you anchor in shallow waters while the tempest rises **The Saturday Review of Politics,**
