Artful Dodgers Bernard Ewell, 2014-05 Who really knows how the art market works Here for the first time art detective veteran appraiser and international art expert Bernard Ewell opens the door and gives you a tour of the world s most unregulated market one unlike any other which does not even follow the rules of modern economics There are actually two art markets with one operating as if it was the other while both depend on The Six Myths That Drive The Art Market Perception is everything and pervasive secrecy is the unbreakable rule The players the con men and the larger than life personalities are better than the characters created by novelists You ll meet the crooks and their victims and realize that both are actually our creation We all participate in the fraud and foolishness that props up an art market that buys and sells civilization s greatest treasures and most horrible junk Be prepared to put aside everything you think you know and have heard from art dealers and read in the press The international auction houses the big name galleries superstar artists and the museums are haunted by fakes and forgeries which collectors usually buy for all the wrong reasons Arrogance or ignorance It s both The art market is where the intent to deceive meets contributory negligence and willful ignorance and most of those who have been defrauded don t even know it This book will entertain you as it gives you the tools to more fully enjoy and safely buy art

Art and Crime Noah

Charney,2009-05-14 Through the use of case examples and careful examination this book presents the first interdisciplinary essay collection on the study of art crime and its effect on all aspects of the art world Contributors discuss art crime subcategories including vandalism iconoclasm forgery fraud peace time theft war looting archaeological looting smuggling submarine looting and ransom The contributors offer insightful analyses coupled with specific practical suggestions to implement in the future to prevent and address art crime This work is of critical importance to anyone involved in the art world its trade study and security Art crime has received relatively little attention from those who study art to those who prosecute crimes Indeed the general public is not well aware of the various forms of art crime and its impact on society at large to say nothing of museums history and cultural affairs And yet it involves a multi billion dollar legitimate industry with a conservatively estimated 6 billion annual criminal profit Information about and analysis of art crime is critical to the wide variety of fields involved in the art trade and art preservation from museums to academia from auction houses to galleries from insurance to art law from policing to security Since the Second World War art crime has evolved from a relatively innocuous crime into the third highest grossing annual criminal trade worldwide run primarily by organized crime syndicates and therefore funding their other enterprises from the drug and arms trades to terrorism It is no longer merely the art that is at stake

Thinking about the Elgin Marbles John Henry Merryman,2009-01-01 The new edition of this insightful work begins with a critical reexamination of the rival Greek and British claims to the Elgin Marbles That case study identifies the questions that continue to dominate the growing international debate about cultural property policy and which are subsequently explored in a newly expanded array of essays The work goes on to pay particular attention to the law and policy relating to cultural property export controls and the evolution and development of the 1995 UNIDROIT Convention on the Return of Stolen and Illegally Exported Cultural Property The second part of this highly regarded book addresses a number of contemporary art law issues in essays on counterfeit art the moral rights of artists the artist s resale right droit de suite the litigation over the Mark Rothko estate and problems of museum trustee negligence conflict of interests and misuse of inside information
