Great Expectations Simon Chapman,1986      **Women and Smoking** ,2001 The second report from the U S Surgeon General devoted to women and smoking Includes executive summary chapter conclusions full text chapters and references

**Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles      *Bibliographic Guide to Business and Economics* New York Public Library. Research Libraries,1987      *Moving the Goalposts* Martin Polley,2002-09-11 Martin Polley provides a survey of sport in Britain since 1945 and examines sport s place in British culture He discusses issues of class gender race commerce and politics as well as analysing contemporary sport      *Brain-Robbers* Frances R. Frankenburg MD,2014-03-28 A psychiatrist examines how the world s four most important mind altering substances alcohol cocaine nicotine and opiates have played a significant role throughout human history and explains how these powerful drugs affect the brain and cause addiction Alcohol cocaine nicotine and opiates have spurred some of the greatest human pleasure and pain across time Providing information that ranges as widely as from ancient Egypt to modern times this book comprehensively addresses the good the bad and the very ugliest aspects of these substances examining their history their effects on the brain and body and on civilization itself Frances R Frankenburg MD employs accessible everyday language to explain the neurology of addiction and describe how these brain robbing substances work to hijack the brain s pleasure systems to create powerful addictions The author also provides perspective into the intertwined inescapable and often uneasy relationship between these substances and human culture economics and politics for example how individuals become physically or psychologically addicted to alcohol cocaine nicotine and opiates while governments become financially addicted to the revenue such as taxes that can be collected from the sale and use of these substances      *Health Promotion* Pan American Health Organization,1996 These ground breaking studies have had a lasting impact and attest to the belief that public health requires a holistic point of view rather than one limited to disease prevention and control The papers that comprise the anthology were selected to meet two objectives to disseminate a wide range of information and to illustrate the growth and development of health promotion as a world wide strategy More than 50 public health experts from four continents contributed to the anthology Their papers illustrate the diverse nature of health promotion topics and are presented in five Parts Developing a Framework Building Healthy Public Policy Strengthening Community Action Developing Personal Health Skills Health Promotion for Specific Groups Key documents in the health promotion movement in the Americas the Ottawa Charter for Health Promotion Health Promotion and Equity the Declaration of Bogot and the Caribbean Charter for Health Promotion supplement the text A glossary of health promotion terms and concepts completes the collection      Public Health Advocacy and Tobacco Control Chapman,2008-04-15 Simon Chapman is one of the world s leading advocates for tobacco control having won the coveted Luther Terry and WHO medals His experience straddles 30 years of activism highly original research and analysis having run advocacy training on every continent and editing the

British Medical Journal's Tobacco Control research journal In this often witty and personal book he lays out a program for making smoking history He eviscerates ineffective approaches condemns overly enthusiastic policies which ignore important ethical principles and provides a cookbook of strategy and tactics for denormalising smoking and the industry which promotes it Public Health Advocacy and Tobacco Control is divided into two sections The first contains chapters spanning such key topics as the place of advocacy in tobacco control ethical issues smoking cessation and prevention harm reduction and product regulation and the denormalisation of smoking The second section provides an invaluable A Z of tobacco control advocacy strategy from Accuracy to Whistleblowers Library Bulletin Great Britain. Depts. of the Environments and Transport. Library Services,1987 American Journal of Public Health ,1987 Includes section Books and reports

**Encyclopedia of White-Collar and Corporate Crime** Lawrence M. Salinger,2013-06-14 Since the first edition of the Encyclopedia of White Collar and Corporate Crime was produced in 2004 the number and severity of these crimes have risen to the level of calamity so much so that many experts attribute the near Depression of 2008 to white collar malfeasance namely crimes of greed and excess by bankers and financial institutions Whether the perpetrators were prosecuted or not white collar and corporate crime came near to collapsing the U S economy In the 7 years since the first edition was produced we have also seen the largest Ponzi scheme in history Maddoff an ecological disaster caused by British Petroleum and its subcontractors Gulf Oil Spill and U S Defense Department contractors operating like vigilantes in Iraq Blackwater White collar criminals have been busy and the Second Edition of this encyclopedia captures what has been going on in the news and behind the scenes with new articles and updates to past articles **Great Expectations** Simon Chapman,1986

Encyclopedia of White-Collar & Corporate Crime Lawrence M. Salinger,2005 In a thorough reappraisal of the white collar and corporate crime scene this Second Edition builds on the first edition to complete the criminal narrative in an outstanding reference resource **Current Research in Library & Information Science** ,1988 *Second Thoughts on Capitalism and the State* Leslie Sklair,2022-05-02 This collection of essays highlights the need for sociological and political analysis of actual alternatives to capitalism and the existing system of so called nation states It challenges the conventional idea that capitalism can be successfully reformed to meet the needs of most people in the world confronting it with the existential threats posed by the perfect storm of climate change and the Anthropocene hyper urbanization and the Coronavirus pandemic Written over a period of 50 years it charts the ways in which capitalism and socialism have evolved as global systems their successes and failures to the point that it is easier to imagine the end of the world than the end of capitalism It offers ways forward community by community **EBU Review** European Broadcasting Union,1987 *Family Television* David Morley,2005-07-22 First Published in 2006 In this detailed study of television viewing among families from different cultural backgrounds Morley develops many of the themes of his earlier work on the nationwide audience This book extends that work into new territory examining different ways in which television is actually watched within the context of

family life Here television viewing is situated firmly within the politics of the living room and the structure of power relations within the family      **Current Research for the Information Profession** ,1988      Cricket: A Political History of the Global Game, 1945-2017 Stephen Wagg,2017-11-14 Cricket is an enduring paradox On the one hand it symbolises much that is outmoded imperialism a leisured elite a rural aristocratic Englishness On the other it endures as a global game and does so by skilful adaptation trading partly on its mythic past and partly on its capacity to repackage itself This ambitious new history recounts the politics of cricket around the world since the Second World War examining key cultural and political themes including decolonisation racism gender globalisation corruption and commercialisation Part One looks at the transformation of cricket cultures in the ten territories of the former British Empire in the years immediately after 1945 a time when decolonisation and the search for national identity touched every cricket playing region in the world Part Two focuses on globalisation and the game s evolution as an international sport analysing social change and the Ashes the campaigns for new cricket formats the development of the women s game the new breed of coach the limits to the game s global expansion and the rise of India as the world s leading cricket power Cricket A Political History of the Global Game 1945 2017 is fascinating reading for anybody interested in the contemporary history of sport      **Medical Journal of Australia** ,1988
