## **Great Feud The Campbells And The Macdonalds:**

*The Great Feud* Oliver Thomson, 2001 Chronicles the rivalry between the Campbells and the MacDonalds Beginning in Scotland with the violent death of the Campbell chief in 1294 the feud continues through Bonnie Prince Charlie's flight in 1745

**The Campbells, 1250-1513** Stephen Boardman, 2019-08-08 If not perhaps the most popular Highland clan the Campbells are undoubtedly one of the most successful The Campbell earls of Argyll have traditionally enjoyed a rather unsavoury historical reputation viewed by their rivals with a mixture of fear envy and respect The spectacular advance of Campbell power in the medieval Scottish kingdom has normally been explained in terms of the family's ruthless and duplicitous suppression of their fellow Gaels in Argyll and the Hebrides at the behest of the Scottish crown In particular Clan Campbell's success is seen to be built on the destruction of older and more prestigious regional lordships in the west such as those of the MacDougall lords of Argyll and the MacDonald lords of the Isles This book reassesses these negative images and interpretations of the growth of Campbell authority from the thirteenth century and the opening of the Wars of Independence through to the death of Archibald 2nd earl of Argyll at the Battle of Flodden in 1513 The lords who dominated the medieval Clan Campbell emerge more as individuals enjoying complex and ambiguous relationships with the Scottish crown and the culture and politics of Gaelic speaking Scotland rather than as unquestioning agents of the Stewart monarchy and committed converts to the aristocratic culture of lowland Scotland

**The History of England from the Accession of James the Second** Thomas Babington Macaulay Baron Macaulay, 1855

Highlanders James MacKillop, 2024-01-04 Rebellion was recurrent in the Highlands because the Gaels Scoti were an often oppressed indigenous minority in the nation Scotland to which they gave their name They spoke a language Gaelic few outsiders would learn and had their own family and social system the clans Warfare was bloody culminating in the catastrophe of Culloden Moor during the doomed quest to restore the Stuart kingship to all of Britain Economic hardship including the near genocidal Clearances in which tenant farmers were replaced with sheep drove the Gaels from the glens and islands so that most today live in the diaspora including millions in North America Although the Gaels lack a single genetic identity they clearly draw from distinct roots in the Irish Norse and Picts Despite their hardship the Gaels are also presented in romantic portrayals by the artistic elite of other nations This book offers ways in which the reader might find roots and ancestry in unfamiliar terrain Chapters discuss the landscape and language of the Highlanders the rise of clans feuds and invasions and eventual emigration

The Puritan Culture of America's Military Ronald Lorenzo, 2016-02-24 This book explores Puritanism and its continuing influence on U S and military law in the Global War on Terror exploring connections between Puritanism and notions of responsibility in relation to military crimes superstitious practices within the military and urges for revenge Engaging with the work of figures such as Durkheim Fauconnet and Weber it draws on primary data gathered through participation and observation at the U S Army courts martial following events at Abu Ghraib Operation Iron Triangle the Baghdad canal killings and a war crimes case in

Afghanistan to show how Puritan cultural habits color and shape both American military actions and the ways in which these actions are perceived by the American public A theoretically sophisticated examination of the cultural tendencies that shape military conduct and justice in the context of a contemporary global conflict The Puritan Culture of America s Military will appeal to scholars across the social sciences with interests in social theory and sociology cultural studies politics and international relations and military studies

**White People, Indians, and Highlanders** Colin G. Calloway, 2008-07-03 A comparative approach to the American Indians and Scottish Highlanders this book examines the experiences of clans and tribal societies which underwent parallel experiences on the peripheries of Britain s empire in Britain the United States and Canada

The Feud Dean King, 2013-05-14 For more than a century the enduring feud between the Hatfields and the McCoys has been American shorthand for passionate unyielding and even violent confrontation Yet despite numerous articles books television shows and feature films nobody has ever told the in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia Drawing upon years of original research including the discovery of previously lost and ignored documents and interviews with relatives of both families bestselling author Dean King finally gives us the full unvarnished tale one vastly more enthralling than the myth Unlike previous accounts King s begins in the mid nineteenth century when the Hatfields and McCoys lived side by side in relative harmony Theirs was a hardscrabble life of farming and hunting timbering and moonshining and raising large and boisterous families in the rugged hollows and hills of Virginia and Kentucky Cut off from much of the outside world these descendants of Scots Irish and English pioneers spoke a language many Americans would find hard to understand Yet contrary to popular belief the Hatfields and McCoys were established and influential landowners who had intermarried and worked together for decades When the Civil War came and the outside world crashed into their lives family members were forced to choose sides After the war the lines that had been drawn remained and the violence not only lived on but became personal By the time the fury finally subsided a dozen family members would be in the grave The hostilities grew to be a national spectacle and the cycle of killing kidnapping stalking by bounty hunters and skirmishing between governors spawned a legal battle that went all the way to the United States Supreme Court and still influences us today Filled with bitter quarrels reckless affairs treacherous betrayals relentless mercenaries and courageous detectives The Feud is the riveting story of two frontier families struggling for survival within the narrow confines of an unforgiving land It is a formative American tale and in it we see the reflection of our own family bonds and the lengths to which we might go in order to defend our honor our loyalties and our livelihood

From Jamestown to Texas Betty Smith Meischen, 2010-09-22 The rugged character and indomitable spirit of the early pioneers of Stephen F Austins Texas colony had their roots in a turbulent distant past From the early 1600s their courageous ancestors had pushed westward leaving the European shores to carve out a new nation from the wilderness They fled religious and political oppression in search of a better life in which freedom was of supreme importance Many came with tales of their

former struggles in Londonderry Ireland during the great siege of terrible massacres and clan rivalries in the times of William Wallace and Robert the Bruce King of Scotland They vividly remembered the tribulations of Martin Luther and the deadly religious split with the Catholic Church More recently memories of their parents participation in the American Revolution of dramatic true life scenes such as depicted in the movie *The Patriot* filled their minds their fathers having ridden along side of the wily Swamp Fox Francis Marion These pioneers associated themselves with men like Travis Crockett Houston and Andrew Jackson Many of these early trailblazers were Scots Irish and German immigrants They were on a westward trek to grasp a special prize to seal Americas Manifest Destiny And that prize they sought was Texas From Jamestown to Texas is the story of these intrepid pioneers and their ancestors who cleared and farmed the land who fought the Indians battled the elements and carved out this wonderful country that we have today     *The Fall of Heartless Horse* Martha Kinney,2004 A post modern generational family drama that is dark hilarious moving this wildly original narrative deals with greed inheritance heroism internecine intrigue capitalism sex and the intertwining of public and private history Kinney s startling inventive debut which draws on traditions of both poetry and prose and pushes the envelope in both genres has been compared with the works of Lewis Carroll and Anne Carson and evokes qualities of opera theatre soap opera epic and melodrama as well     **Glencoe and the End of the Highland War** Paul Hopkins,2001-01-01 Paul Hopkins an authority on early Jacobitism sets the Massacre of Glencoe in its true context The book describes the tensions in the Highlands between the Restoration and the End of the Revolution and the influence on the Highlands of national politics Besides filling a blank in our knowledge of the Highlands in the decade following the Massacre the book transforms our perspective on lowlands politics by showing that the Inquiry was part of a secret patriotic campaign to break the aristocracy s political stranglehold and increase the Scottish parliament s powers     *Scottish Highlanders* Charles MacKinnon,1992

*Governing Gaeldom* Allan D. Kennedy,2014-04-03 Conventional accounts of the Scottish Highlands tend to assume that they remained detached from the mainstream of British affairs until well into the eighteenth century In *Governing Gaeldom* Allan Kennedy challenges this perception through detailed analysis of the relationship between the Highlands and the Scottish state during the reigns of Charles II and James VII II Drawing upon a wide range of sources Kennedy traces the political social ecclesiastical and economic linkages between centre and periphery demonstrating that the Highlands were much more tightly integrated than hitherto assumed At the same time he reconstructs the development of Highland policy placing it within its proper context of the absolutist pretensions of the late Stuart monarchy The result is a thorough reinterpretation which offers fresh insights into the process of state formation in early modern Britain The volume has been awarded the Frank Watson Book Prize for 2015 For more details see [https://www.uoguelph.ca/scottish/frank\\_watson](https://www.uoguelph.ca/scottish/frank_watson) This title is shortlisted for the Saltire Society 2014 History Book of the Year Award For more details see <http://www.saltiresociety.org.uk/awards/literature/literary/awards-scottish-history-book-of-the-year-2014-history-book-shortlist>     *Reunion* Ryan

Littrell,2012-10 An anonymous letter found at the bottom of a box of black and white pictures reveals the first clues about the author s grandmother s family story and soon those clues lead him to a country graveyard and a long lost cousin As one hint leads to the next from the 19th century back into the 18th he discovers his family s place in a people s tragic struggle

Lords of the Isles Timothy Venning,2015-06-15 Explores the history of the Lordship of the Isles at its widest extent the rulers of the west coast and islands of Scotland     The Economist ,2000     *History of the Great Civil War, 1642-1649: 1647-1649* Samuel Rawson Gardiner,1905     **History of the Great Civil War, 1642-1649** Samuel Rawson Gardiner,1898

*An Introductory History of England: From Henry VII to the Restoration* Charles Robert Leslie Fletcher,1908     *An Introductory History of England* Charles Robert Leslie Fletcher,1910     From the earliest times to the restoration Charles Robert Leslie Fletcher,1910
