Schweig, 2024-02-19 Posthumous Editing of a Great Master s Work Special Focus on the Writings of A C Bhaktivedanta Swami Prabhupada examines how a leading figure s hallowed written and published works which remain so important to the religious community should be editorially treated

following the leader's departure from this world. The volume addresses the theological, ethical, social and legal implications of posthumous editing and even improving a great master's works. This book focuses on the extensive posthumous editing of the works of A. C. Bhaktivedanta Swami Prabhupada, the original world teacher of Krishna bhakti of the twentieth century. After Swami Prabhupada departed from this world, some of his disciples, without the expressed approval of the author, attempted to improve on his authorized published work, which resulted in the publication of a continuing series of inauthentic altered editions. This extreme editing of Swami Prabhupada's works precipitated the scholarly research and inquiry into the posthumous editing of a great master's work that forms the basis of this book.

**The Great Master of Dao-Lu Ju** 老聃 - 聃 (Kerby Kuek), Preface. Heavenly Stems endorsed the Year of Snake 2013 and the blossoming of the yellow chrysanthemum in autumn fall signifies celebration of the sage's teachings. Many generations have come and gone yet Dao being eternal has remained. One can recollect that Lao ji left West Valley leaving behind 5,000 words that are still as alive as they were in the ancient times. Daoism texts, books and scriptures discuss a wide range of significant and insignificant topics, some of them barely. The content and context of these manuscripts have rarely been translated into other languages to benefit non-Chinese speaking people. It is heartening to know that one of my disciples, Kerby Kuek, who is well versed in the Chinese metaphysics and is relentlessly pursuing Dao, has authored this meaningful book after exhaustive research. This book will be released in the Year of Horse 2014 to benefit all mankind.
