Driving Around the USA  
Martin W. Sandler,2003-12-04 Capturing the excitement of a nation as it became a driving force in more ways than one Driving Around America is the story of how America s romantic restless spirit found its counterpart in the automobile With Henry Ford s assembly lines lowering the price of cars ordinary people began to travel where and when they pleased with a freedom never before known and the nation would never be the same People moved farther from their work creating suburbs the demand for gasoline increased spurring the growth of the petroleum industry and individual members of families moved far from each other changing the social fabric of the nation From the auto s early beginnings to the commonplace use of cars in all aspects of life today Driving Around America is a fascinating portrait of how America transformed as its citizens were on the move more and more

My Greatest Day in NASCAR ,2014-07-08 With its insider s look into the world of auto racing My Greatest Day in NASCAR is a must have for all racing fans Here are the words of Jeff Gordon Bobby Allison Richard Petty and many others all talking about their greatest racing moments For the first time ever Bob McCullough has brought together a first person account of the most exciting races personal achievements and events for the last 50 years Fans get to read both an oral history of racing and a moving tribute to the efforts and achievements of the sports stars as well as the behind the scenes people who help make racing what it is today

*Honey, I Bought an Airplane* Bob Hechlin,2012-07-25 No one else ever took a trip like this Nearly 600 trips actually But who cares I thought when first approached to edit the manuscript for this book about flying into every little airport in Indiana then moving on to those in surrounding states Pilots Perhaps Even so Im a writer not a pilot And Bob Hechlin is a pilot not a writer Except Bob has an insatiable curiosity about people places events you name it To him an airport is more than a name or a spot on a map Hes a great listener He has ears

and eyes for detail nuggets that many people either overlook or don't connect with other nuggets like dots on a page to create picture after picture after picture And Bob has a gift for gab Storytelling if you will So if you believe as I do that writing is talking when you can't be there give this book a listen Hear things you never knew about John Dillinger Al Capone a WWII pilot named OHare back road encounters on Mackinac Island and not flying under the bridge out maneuvering storm clouds the Oshkosh air show close knit neighborhoods with hangar garages airports in Ohio police in Gary Indiana the link between Northwestern University and a historic Lake Michigan passenger ferry tragedy how a teenagers Happy Birthday flight launched a career and more Much more Some people read books from page 1 the opening line hooks them Others check the ending first If I like how it ends I'll like getting there With Honey feel free to start in the middle pick a page any page Chances are you will quickly be drawn in and pulled onward from one mini tale to the next And at some point you'll say Geez let's go back and read the rest I did Cmon along for the ride Bob makes even the shortest hop a fun trip Richard E Schingoethe
