Wright Doyle,2013-07-17 Was America founded as a Christian nation What role has the Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy *Proclamation!* Blake J. Neff,2007-07-01 At long last here is a textbook for the basic public speaking course one that integrates a Christian worldview with up to date scholarship in the field of communication Proclamation covers the standard speech types informative speech persuasive speech and ceremonial speech In addition Blake J Neff recognizes that Christians need to know how to deliver an edifying speech and a personal testimony speech Neff acknowledges that one of the reasons to study public address at the university level is that God has commanded His people to always be prepared to give an account 1 Peter 3 15 Proclamation prepares Christians to speak not only as one to many but also as members of interpersonal or small groups Christian teachers of public speaking will appreciate the assistance this book offers toward integrating faith with learning Students will applaud the practical and readable approaches found in Proclamation *Questioning Evangelism, 3rd edition* Randy Newman,2023-01-17 You don t need to memorize evangelical formulas or answers You just have to be willing to ask questions There was something different about the way Jesus communicated with the lost He didn t force answers upon people He asked questions So why don t we Campus ministry veteran Randy Newman has been using a questioning style of evangelism for years In this thought provoking book he provides practical insights to help Christians engage others in meaningful spiritual conversations To Newman asking questions challenges how we think about unbelievers their questions and our message instead of telling unbelievers what to think A perennial best seller this third edition includes both revisions of current chapters such as an expanded discussion on LGBTQ issues and the debate on transgenderism and new chapters that ponder issues such as science and suffering Distilled out of twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day Mitch Glaser Chosen People

Ministries **God's Generals** Roberts Liardon,2008-05-23 The Generals Who Shook Nations Roberts Liardon chronicles compelling spiritual biographies of some of the most powerful preachers ever to ignite the fires of revival Follow the faith journeys and lives of the great generals of God including George Whitefield whose dramatic flair and passionate preaching needed no modern conveniences like microphones to reach crowds of more than sixty thousand people Charles Finney the skeptical lawyer turned evangelist whose ministry was marked by deep prayer and divine healing William and Catherine Booth who gave food to the hungry fought to free those trapped in sex trafficking and founded the Salvation Army now the largest charitable organization in the world Billy Graham counselor and confidant of eleven U S presidents who preached God s unconditional love and saving grace to millions Liardon goes beyond history drawing crucial life application and inspiration from the lives of these mighty warriors so that you can learn how to Fulfill God s call on your life Discern the voice of God to follow His guidance Be led by the Spirit of God Let these revivalists inspire your life and revitalize your ministry

The Power of Truth in Perilous Times Marcus E. Drake,2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything

Joseph Charles R. Swindoll,1998-05-31 In a world where faith is fading and integrity is rare the life and legacy of Joseph shine bright showing us that following God brings hope even in the worst of circumstances Join bestselling author Charles Swindoll as he sheds light on a man whose tenacious faith kept him strong in the face of temptation danger and torment Great Lives Joseph presents a fresh look at one of the most intriguing characters in the Old Testament and focuses on the virtue of forgiveness in the face of deceit and betrayal From his famous multi colored coat through the jealous rage that prompts his brothers to sell him into slavery to his astounding rise to national power Swindoll follows Joseph through temptation imprisonment his ascension in Egyptian society and the brothers who deceived him Despite the incredible challenges he faced throughout his life Joseph stood firm exemplifying what s possible

when ordinary people maintain their connections with God In Great Lives Joseph the third installment in Swindoll's bestselling Great Lives from God's Word series Swindoll traces the life and legacy of a man who exemplified grace under pressure teaching us how to Be quick to forgive Live with integrity Trust God every step of the way Joseph's story reads like an epic novel filled with intrigue tension temptation and torrential emotions but it heartens us as we face the same kinds of difficulties today proving that we can triumph over whatever life sends our way

World of Faith and Freedom Thomas F. Farr, 2008-11-07 Virtually every trouble spot on the planet has some sort of religious component One need only consider Iraq and Afghanistan Iran Israel and Palestine Turkey India Pakistan Russia and China to name but a few Looming behind national issues of course is the problem of regional Islamist extremism and transnational Islamist terrorism In all of these sectors religious tensions ideas and actors are of great geo political importance to the United States Yet argues Thomas Farr our foreign policy is gravely handicapped by an inability to understand the role of religion either nationally or globally There is a strong disinclination in American diplomacy to consider religious factors at all either as part of the problem or part of the solution In this engaging and well written insider account Farr offers a closely reasoned argument that religious freedom the freedom to practice one's own religion in private and in public is an essential prerequisite for a stable durable democratic society If the U S wants to foster democracy that lasts he says it must focus on fostering religious liberty especially in its public manifestations properly limited in a way that advances the common good Although we ourselves have developed a remarkably successful model of religious freedom our foreign policy favors an aggressive secularism that is at odds with the American model It is essential says Farr that we take an approach that recognizes the great importance of religion in people's lives

Lucado 3-in-1 Max Lucado, 2008-09-30 Three books in one from Max Lucado *Traveling Light A Love Worth Giving It's Not About Me*

Alexander Solzhenitsyn: Cold War Icon, Gulag Author, Russian Nationalist? Elisa Kriza, 2014-10-01

Reclaiming Love Ajith Fernando, 2013-04-02 In 1 Corinthians 13 Paul places love at the very center of what it means to embrace life in Christ All other spiritual gifts are worth nothing in comparison But the love explained in those verses is nothing short of radical Fernando's pastoral work in the midst of the cultural and ethnic tensions of Sri Lanka often brought up a very real and honest question Can the biblical teaching about love actually be practiced The answer he discovered is a resounding yes The radical love of God is not only real but it is the key to experiencing joy in the pain and suffering of this world Believers must look to the Scriptures for God's teaching on the true nature of love its divine origins and its power for those who trust in Christ This book offers reflections on the Bible's consistent teaching on love and shares real life experiences of learning to love in difficult situations

[Exemplarist Moral Theory](#) Linda Zagzebski, 2017-02-21 In *Exemplarist Moral Theory* of Linda Zagzebski presents an original moral theory based on direct reference to exemplars of goodness whom we identify through the emotion of admiration Using examples of heroes saints and sages she shows how narratives of exemplars and empirical work on the most admirable persons can be incorporated into the theory to serve both

theoretical and practical purposes *God's Generals Billy Graham* Roberts Liardon, 2019-04-16 God's Generals Who Shook Nations Roberts Liardon chronicles the compelling spiritual biographies of some of the most powerful preachers ever to ignite the fires of revival Follow the faith journey and life of Billy Graham counselor and confidant of eleven U S presidents who preached God's unconditional love and saving grace to millions **The DNA of History** Pete Schwalm, 2014-08-08 This book discusses the three themes of grace mercy and judgment within the context of four major time frames The first three epochs each culminating in unique judgments provide historical precedents to the fourth in which we live As we near what might be the end of the fourth and final epoch it is imperative that we learn from the first three By grasping the first three historical precedents as prelude to the fourth people can choose to become informed prepare personally and live as Kingdom of God people in relationship with their community of faith and their world Will our age heed the warnings or will it conclude with judgment as well
