

The Singer's Series Standard Ballads

Fantastic American standards in new arrangements designed to flatter any singer, with interesting harmonies and accompaniments. The arrangements are in the spirit of the performance tradition of great standards established by singers such as Tony Bennett, Rosemary Clooney, Frank Sinatra, Nat King Cole, or Peggy Lee. Keys have been carefully chosen and will be comfortable for most voices. The book contains arrangements for voice and piano accompaniments, and a section of "fake book" style editions of the arrangements convenient for performing.

The companion CD includes wonderful performances of each song by a talented singer backed by a trio of piano, bass and drums. The CD also contains trio accompaniment tracks only for practice or performance.
