Great Way Of All Beings Renderings Of Lao Tzu:

Illuminations on the Road to Nowhere Paul Ferrini, 2001-05 There comes a time for all of us when the outer destinations no longer satisfy and we finally understand that the love and happiness we seek cannot be found outside of us. It must be found in our own hearts on the other side of our pain. This book makes it clear that we can no longer rely on outer teachers or teachings to find our spiritual identity. Nor can we find who we are in relationships where boundaries are blurred and one person makes decisions for another. If we want to be authentic we can't allow anyone else to be an authority for us nor can we allow ourselves to be an authority for another person. This provocative book challenges many of our basic assumptions about personal happiness and the meaning of our relationship with others and with God. **Grace Unfolding**

Paul Ferrini, 1998-02 This book is not about surrender to an outside authority but to an inside one. It is about the relinquishment of our ego consciousness, our separated states of heart and mind to a greater consciousness to the essence of love which is the source of who we are. **Laws of Love** Paul Ferrini, 2004 The Laws of Love offers a rare in depth look at the causes of suffering and the way out of it. Drawing from many Wisdom Traditions the Course integrates the insights of Paul Ferrini's 30 books on Spirituality into a comprehensive and powerful whole. Like a beautiful and intricately woven tapestry the ten major spiritual principles are described and illustrated. Paul's unique ability to synthesise the wisdom of the Taoist, Zen, Sufi and Hasidic Masters with the heart centred teachings of Jesus makes this material a delight to encounter. Presented with absolute clarity this material will help you align your life with the highest teachings available on the planet. *Creating*

a Spiritual Relationship Paul Ferrini, 1998 This book is designed for people who are either in a committed relationship or want to be. A committed relationship is one path toward spiritual growth and transformation. It is not the only path nor is it a very easy path. The seven spiritual laws discussed in Part Two of this book provide a roadmap for couples who are committed to their mutual spiritual growth. This simple but profound guide to growth and happiness for couples will help you and your partner weather the ups and downs of your relationship so that you can grow together and deepen the intimacy between you.

The Twelve Steps of Forgiveness Paul Ferrini, 2012-11 The Twelve Steps of Forgiveness offers us a process for unlearning our ego based search for perfection and discovering the inner beauty, guidance and grace that already exist in our lives. It enables us to honor others and establish healthy boundaries that prevent manipulation and co dependency. Most importantly it helps us practice forgiveness moment to moment so that we can discover the place of peace within. *The*

Silence of the Heart Paul Ferrini, 1996 A powerful sequel to Love Without Conditions. John Bradshaw says with deep insight and sparkling clarity this book demonstrates that the roots of all abuse are to be found in our own self betrayal. Paul Ferrini leads us skilfully and courageously beyond shame, blame and attachment to our wounds into the depths of self forgiveness. A must read for all people who are ready to take responsibility for their own healing. *Dancing with the Beloved* Paul

Ferrini, 2001 Romance may open the door to love but it does not help us walk through it. Something else is needed. Something

deeper Something ultimately more real Challenging times must be weathered Love must be strengthened beyond neediness and self interest It must die a thousand deaths to learn to rise like the phoenix beyond adversity of any kind Love is not a fragile shiny thing kept separate from the pain and misery of life It is born of our willingness to learn from our mistakes and encounter the depth of our pain as well as our partner s pain That is the way it is In time we learn that all pain is the same pain And we have compassion for the other people who inadvertently step on our toes as they learn to find the inner rhythms of the dance Like us they will stumble and fall hundreds of times until that moment of profound acceptance when grace comes and the beloved takes their hand in the circle

The Power of Love Paul Ferrini,2004 The Power of Love presents 10 spiritual Practices that can transform your life Performed over a 10 week period these experiential exercises will help you to integrate into daily life the concepts presented in The Laws of Love

The Presence of Love Paul Ferrini,2006 The Presence of Love the third book in Paul Ferrini s Spiritual Mastery Series makes it clear that the human family is at a crossroads We can no longer afford to be sloppy careless or impulsive with our creations We need to create compassionately and be responsible for what we create This is a time of great energy It is a time when the potential for healing and transformation is greater than it has ever been before Each one of us has an important role to play in the healing of consciousness on our planet

Love Without Conditions Paul Ferrini,2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood Rarely has any book conveyed the teachings of the master in such a simple but profound manner This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life

Forbidden Fruit Paul Ferrini,2002 Adam and Eve were not just naughty disobedient children They were created in God s image They had God s desire for creative expression and awareness As long as they remained in the Garden they could not take the next step in their evolution How do you convince a dependent obedient child to leave home especially if there is a comfortable bed and three gourmet meals served every day Adam and Eve weren t going to make a conscious choice to leave the comforts of the Garden The choice had to be made at an unconscious level They were driven by a desire they did not yet understand And so these two archetypal beings began a spiritual journey that would take them from sin to atonement from ignorance to knowledge from denial to responsibility They would have to explore their darkness to find the light They would have to become sinners to discover the blueprint for their redemption They would have to experience the limits of their bodies their minds and the three dimensional would to know that their true nature transcended all this To become God they had to first become human Book jacket

Real Happiness Paul Ferrini,2007 Provides a crystal clear roadmap for personal transformation This book is not about the kind of happiness you see on billboards or television commercials It is about being present right now for the ups and downs of life in a loving and compassionate way It is about being ourselves fully and being responsible for what we are creating in our lives It is about being willing to heal our wounds so that we can reconnect with the joy that is our birthright

Love Is My Gospel
