## **Economic Adjustments In New Democracies Lessons From Southern Europe:**

**Economic Adjustment in New Democracies** D. Ethier, 1997-05-29 The politics of economic adjustment in new democracies has received a lot of attention However none of the most recent examinations provide a thorough comparative analysis of Southern Europe Ethier s book fills this gap The book challenges many existing preconceptions about Southern Europe while confirming and complementing the main assertions of comparable studies on Eastern Europe Latin America Asia and Africa *Economic Adjustment in New Democracies* Diane Ethier, 1997

**Constructing Democracy in Southern Europe** Lauren M. McLaren, 2008-04-08 Why are some regimes democratic while others are not Specifically how have Spain and Italy managed to become democratic while Turkey which shares many similar characteristics has not Spain Italy and Turkey have shared common historical features which would have been disruptive to any new democracy however they represent a wide array of democratization experiences Providing a comparative case study analysis this book offers some clues as to the reasons for successful transitions to democracy This is done through a range of variables which include the degree of stateness problems learning from previous experiences with democracy and authoritarianism economic development the procedures used for designing the new rules of the regime the existence or absence of civil society and the connection between society and political institutions the democratic rules themselves the professionalization of the military the influence of external factors on democratic consolidation By examining these variables across the three countries Lauren McLaren narrows the range of possible explanations for differences in democratic consolidation The book will be of particular interest to students and researchers of European Politics and Democratization Studies

Industrial Crisis and the Open Economy G. Underhill, 2016-07-27 Written in the context of contemporary theoretical debate in international political economy this book overturns a number of myths about the political economy of trade in one of the oldest areas of industry In this way the author systematically links the changing characteristics of the trade regime to structural change and adjustment in global industry He argues that state policy processes international regimes and the industrial adjustment strategies of firms must be conceptualised as integrated processes of governance cutting across levels of analysis in the global political economy

**Rural Women and Triple Exploitation in Korean Development** D. Gills, 1999-08-02 This book is a comprehensive analysis of the unrecognized role played and burden borne by rural women during the last four decades of South Korean economic development It offers a new critical understanding of the crucial role played by rural women in the Korean economic miracle

Bureaucracy and the Alternatives in World Perspective K. Henderson, O. Dwivedi, Timothy M. Shaw, 1999-06-03 This volume seeks to explore bureaucratic forms of administration in the Third World and alternatives to them Experts with wide experience in development are assembled to deal with issues of reform indigenization and desirable futures

**The Emergence of Insurgency in El Salvador** Yvon Grenier, 2016-07-27 Grenier offers a better understanding of the causes of revolution in El Salvador through an analysis of the central role of ideas and ideologues The insurgency was

not merely the charismatic embodiment of structurally determined processes as it is commonly suggested it was the expression of a distinct and forceful political will The focus is placed on the period of emergence of insurgency roughly the 1970s and early 1980s a period too often confounded and not only in the Salvadoran case with subsequent periods of the revolutionary cycle *International Political Economy and Mass Communication in Chile* Matt Davies, 1999-04-14 This book develops an approach to international political economy that focuses on culture It examines Chilean communication scholarship as it developed under shifting political regimes and changing international political economic relations The book explains the importance of agency and culture in the political processes of building and challenging transnational hegemony emphasizing the role of intellectuals Regulating Corporate Governance in the EU L. Horn, 2011-11-22 In the context of the financial and economic crisis corporate governance and regulatory supervision failures Laura Horn investigates one of the defining questions in social power relations in contemporary capitalism who controls the modern corporation and why

**Democratic Quality in Southern Europe** Tiago Fernandes, 2024-05-15 Fueled by new data from the Varieties of Democracy project *Democratic Quality in Southern Europe* takes a close look at the democratic trajectories of France Greece Italy Portugal and Spain over the past fifty years Despite similar beginnings France Greece Italy Portugal and Spain have experienced significant variations in the way their democracies have evolved Covering ground from the protest movements of the late 60s and early 70s to the challenges that resulted from the financial crisis of the Great Recession editor Tiago Fernandes expertly draws together a collection of essays that look beyond the impact of socioeconomic development in these five countries exploring innovative and nuanced explanations for their diverging paths *Democratic Quality in Southern Europe* combines new data with classical methodologies to create fresh convincing hypotheses on the development quality and depth of democracy in this critical region Contributors Tiago Fernandes Rui Branco Jo o Cancela Edna Costa Pedro Diniz de Sousa Pedro T Magalh es Edalina Rodrigues Sanches Jos Santana Pereira Tiago Tib rcio Dynamics of Energy Governance in Europe and Russia C. Kuzemko, A. Belyi, A. Goldthau, M. Keating, 2012-03-02 Energy in Europe and Russia is in flux This book presents a rich set of case studies for analyzing the complex and intertwined regional dynamics of multiple actors levels and policy fields in energy throughout Europe and Russia with the aim of offering an alternative view to the prevalent geopolitical or neoliberal approaches **Greece in the Euro** Eleni Panagiotarea, 2014-04-01 Greece banked on EMU Entry into the eurozone was its ticket to macroeconomic stability its modernisation jacket and its gateway to global markets So how did such a promising start turn to dust so quickly Was Greece the delinquent eurozone member whose fiscal downfall nearly brought down some of the world s strongest economies Or was it the first victim of the euro s system failure An original approach to understanding how national institutions affect economic performance diluting and disrupting single currency pressures for convergence and adjustment **Designs for Democratic Stability** Abdo I. Baaklini, Helen Desfosses, 2016-06-16 Since the 1980s and the collapse of communist military and race based regimes across the world the

euphoria has given way to the question of how to enhance the viability of democratic constitutional government This text covers this issue     **The Political Economy of Fiscal Reform in Central-Eastern Europe** Frank Bönker,2006-01-01

Frank Bönker has done a masterful job This is probably the best book available on this important subject and its significance is not limited to studies of postcommunist societies It has important theoretical implications for everyone interested in the Political Economy of Policy Reform perspective within the field of comparative political economy John L Campbell Slavic Review     **Manipulating Hegemony** R. Vickers,2000-02-17 Drawing on neo Gramscian theories of International Political

Economy this book explores the impact of the Marshall Plan on labour and government in Britain Rather than the US imposing a politics of productivity on an unwilling government the centre right of the Labour Party used the Marshall Plan to achieve its own political ends Manipulating Hegemony shows how the government was able to marginalise the left to create a pattern of state labour politics that was to endure until the end of the 1970s     **Cooperating on Competition in**

**Transatlantic Economic Relations** C. Damro,2006-10-10 In this in depth study Damro explains the creation of a formal cooperative framework for preventing disputes in transatlantic competition policy The findings suggest that while regulators remain constrained by domestic institutions they play an important role in explaining why the cooperative framework is largely a discretionary one     **The Elusive Promise of NGOs in Africa** S. Dicklitch,1998-07-13 Dicklitch challenges the

dominant discourse of neo liberalism which places NGOs and civil society at the forefront of democratization and development in Africa Based on nine months of field research in Uganda the study draws on evidence from the successfully liberalizing country and shows how NGO potential for democratization and development has been subverted by state directives structural and historical conditions as well as the internal limitations of NGOs     Canadian-Caribbean Relations in

Transition Jerry Haar,Anthony Bryan,1999-08-26 An up to date analysis and assessment of the evolving relationship between Canada and the Commonwealth Caribbean this volume focuses on three dynamic and important issues By presenting a current picture of the Canadian Caribbean relationship the book not only fills a void in academic contributions to the topic but serves as an invaluable reference guide for policy analysts non governmental representatives and public and private decision makers     Social Forces in the Making of the New Europe Andreas Bieler,2001-06-26 The main argument of this

book is that the revival of European integration in the mid 1980s and the emergence of a New Europe have to be analyzed against the background of globalization and the transnational restructuring of social forces since the early 1970s     **Foreign**

**Direct Investment in Three regions of the South at 20th Century** Susan M. McMillan,1999-03-15 Foreign direct investment is an important part of an increasingly global political economy This book explores the consequences of this investment in six countries in the Global South The country comparison chapters detail the political and economic situations of these countries and their policies and experiences with foreign direct investment One chapter examines the statistical patterns among foreign direct investment and its expected outcomes The analysis indicates that the effects of foreign direct

investment are shaped by existing development patterns
