

The Future of Economics: An Islamic Perspective (Islamic Economics)

This profound book is a powerful yet balanced critique of mainstream economics that makes a forceful plea for taking economics out of its secular and occident-centred cocoon. It presents an innovative and formidable case to re-link economics with moral and egalitarian concerns so as to harness the discipline in the service of humanity. M. Umer Chapra is ranked amongst the Top 50 Global Leaders in Islamic economics (ISLAMICA 500, 2015) and has been awarded with two prestigious awards for his contributions to the field: Islamic Development Bank Award for Islamic Economics (1989) and the King Faisal International Prize for Islamic Studies (1989).

Economics And Politics Of Development An Islamic Perspective:

Economics and Politics of Development Khan Muhammad Azam,1988 *Economic and Political Impediments to Middle East Peace* L. Drake,1999-11-09 The accords and protocols that underlie the Arab and Israeli peace agreements set into place economic policies and political processes so flawed that they are bound to fail The chapters in this volume look at the diplomatic and historical precedents that have led to this situation and they debate some cynically and some sympathetically the reasons why the institutional structures and trade regimes the process has created are so weak But for whatever reason the structural flaws built into the Middle East peace process are not only biased toward the dominant players but against the people who most want peace *Social Sciences in Islamic Perspectives* Javed Ahmad Khan,2001 **The Foundations of Islamic Political Economy** Masudul Alam Choudhury,Uzir Abdul Malik,2016-07-27 This rigorously written book on the areas of Islamic principle theory and application is expected to break new ground in modern economic analysis both for the Islamically inclined and others The main features of the book include analytical treatments of the essential axioms and instruments of Islamic Political Economy their expected application and a comparative perspective both in respect to contemporary Islamic literature as well as comparative economic theory *The Impact of Global Terrorism on Economic and Political Development* Ramesh Chandra Das,2019-05-13 This edited collection seeks to address and analyse the ramifications of terrorism and terrorist activities at a world level with a specific focus on the economies and political systems in the Afro Asian regions **Handbook on Islam and Economic Life** M. Kabir Hassan,Mervyn K. Lewis,2014-12-31 Handbook on Islam and Economic Life is a unique study one of the first of its kind to consider Islam within a broader economic sphere Covering a wide breadth of topics and research it explores how Islam impinges upon and seeks to shape major aspect *An Islamic Perspective on Governance* Zafar Iqbal,Mervyn Lewis,2009-01-01 Presents an analysis of key areas in governance from an Islamic standpoint This book draws on classical Islam and contemporary sources to provide a comprehensive Islamic governance framework to contrast with the Western position **Islam and Politics in the Middle East** Mark Tessler,2015-06-22 Some of the most pressing questions in the Middle East and North Africa today revolve around the proper place of Islamic institutions and authorities in governance and political affairs Drawing on data from 42 surveys carried out in fifteen countries between 1988 and 2011 representing the opinions of more than 60 000 men and women this study investigates the reasons that some individuals support a central role for Islam in government while others favor a separation of religion and politics Utilizing his newly constructed Carnegie Middle East Governance and Islam Dataset which has been placed in the public domain for use by other researchers Mark Tessler formulates and tests hypotheses about the views held by ordinary citizens offering insights into the individual and country level factors that shape attitudes toward political Islam **Economic Development and Political Action in the Arab World** M.A. Mohamed Salih,2014-03-05 Analysis of North African revolt against authoritarianism known as the Arab Spring embraced reductionist explanations such

as the social media youth unemployment and citizens agitations to regain dignity in societies humiliated by oppressive regimes This book illustrates that reductionist approaches can only elucidate some symptoms of a social problem while leaving unexplained the economic and political structures which contributed to it One outcome of quiescence resource based ethnic and sectarian conflicts and faulty development paradigm is deepened inequality and a wedge between winners and losers or affluence wealth and power vis vis poverty and hunger among humiliated jobless and hope less masses The book blends theories of development and transition to explain the complex factors which contributed to North Africans revolt against authoritarianism and its long term consequences for political development in the Arab World This timely book is of great interest to researchers and students in Development Studies Economics and Middle Eastern Studies as well as policy makers and democracy human rights and social justice activists in the Arab world
