Mauricio A. Font, Araceli Tinajero

Economy Of Socialist Cuba A Two Decade Appraisal:

The Economy of Socialist Cuba Carmelo Mesa-Lago, 1981 **Measuring Cuban Economic Performance** Jorge Perez-Lopez, 2014-11-11 Analysts attempting to assess economic growth in revolutionary Cuba are faced with two formidable obstacles 1 official macroeconomic indicators published by the government are scarce and sometimes inconsistent because of frequent changes in the method of calculation and 2 these indicators are not compatible with those produced by market economies because of differences in national income concepts Because of these obstacles it is difficult to analyze the performance of Cuba's economy over time and to compare its economic performance directly with that of other nations Using a variant of the method developed by Abram Bergson to estimate the growth rates of the Soviet Union and subsequently applied to centrally planned economies in Eastern Europe Jorge Perez Lopez has estimated the growth rate of the Cuban economy in real terms for the 1965-1982 period His estimated indexes suggest that the Cuban economy expanded at a considerably slower pace than would be implied by official data By constructing yardsticks of economic performance for revolutionary Cuba that are compatible with those used by Western nations Perez Lopez provides for the first time a basis for analyzing the real growth of the Cuban economy during the revolutionary period **The Second Economy in Marxist States** Maria Los, 2016-01-13 This book analyses and compares the unofficial economies and their control in ten marxist states the USSR Poland Hungary Romania Yugoslavia Cuba Nicaragua China Angola and Tanzania It provides a vivid mosaic like panorama of the hidden economies in these countries The book breaks with the view that the unofficial economy is simply a by product of the official economy It shows an unfolding interplay between these two economies which moulds and limits both the dynamics and the direction of the process of change In her final essay Maria Los develops a theoretical model linking second economies with the process of marxist economic development The key stages of this process are identified as 1 The stage of radical transformation 2 The monopolisation period 3 The reformist phase and 4 Post reformist decadence The volume throws a new light on the prospects and problems of the reformist movements which have swept the Soviet Union China and several other marxist states in the 1980s *Reflections on Socialism in the Twenty-First Century* Claes Brundenius, 2020-02-27 In this volume the authors reflect on the question what is socialism as it pertains to today's economy There is particular emphasis on democratic socialism models as a potential alternative to classic authoritarian socialism A number of topical questions are addressed such as What is democratic socialism and is it feasible or even viable What can be learnt from existing democratic socialist experiences What would an ideal democratic socialist society look like today Under what circumstances and where could such a model emerge today In exploring these questions several themes arise within these chapters such as the role of socialist values and inspirations in capitalist societies and how capitalism and socialism relate to the knowledge economy The contemporary world is showing many contradictions with uncertain future scenarios that preoccupy mankind The global capitalist system as we know it is in deep crisis and some even predict its slow death

because of its inability to handle the environmental imperative At the same time classic socialism as experienced in the Soviet Union and its proxies is a stone dead alternative to capitalism today So what options remain The book considers this question as it examines a range of countries where socialism in one form or another has arisen or where democratic socialism could be possible including Brazil Chile Cuba Sweden and the United States Handbook on Cuban History, Literature, and the Arts Mauricio A. Font, Araceli Tinajero, 2016-03-02 First Published in 2016 If scholarship on Cuban studies after the 1959 revolution focused on the historical and cultural aspects of the construction of a socialist order the post 1989 crisis of socialism in Central and Eastern Europe raised questions about the island's state as a socialist model The scholarly gaze gradually began to focus on possibilities for alternative transformations at various levels of social life rather than on the deepening of traditional twentieth century state socialism This volume explores the newly emergent themes and debates about Cuban society and history The Conscience of Worms and the Cowardice of Lions Irving Louis Horowitz, 1993-01-01 The Cuban migration to the United States that began as a trickle in 1959 with the seizure of power by Fidel Castro and his guerrilla insurgents and later was to become a flood tide of people exceeding one million brought to the United States a unique cultural as well as political configuration The Conscience of Worms and the Cowardice of Lions seeks to explore that special relationship The phrase conscience of worms has a double derivation from Castro's critique of ideological opponents and exiles as gusanos and from the quite opposite Spanish language tradition of gusanos de conciencia those tiny worms that burrow beneath the surface for truth The cowardice of lions is more straightforward referring to those North Americans who roared in favor of Castro only to lapse into a protracted silence when the excesses of the communist regime became evident This volume was delivered by Irving Louis Horowitz as the Bacardi Lecture Series at the University of Miami North South Center in 1992 The lectures cover a gamut of issues ranging from paradox procrastination and paralysis of United States foreign policy thirty plus years of apologetics by a select group of North American social scientists and journalists the absorption of honest social research by the Cuban American community to a summing up of what has been learned from the Revolution and its impact on social and political theory Throughout Horowitz shows that the major theories about the Castro Revolution have had substantial consequences both in the United States and in Cuba on how Marxism and communism are assessed in general The survival of the Castro government long after the upheavals that eliminated totalitarian regimes in Russia and Eastern Europe is itself a topic covered in this probing volume written by a long standing analyst of Cuban affairs and social science alike The Economic Development of Latin America Since Independence Luis Bértola, José Antonio Ocampo, 2012-10-25 A comprehensive and accessible overview of the economic history of Latin America over the two centuries since Independence It considers its principal problems and the main policy trends and covers external trade economic growth and inequality Global Critical Race Feminism Adrienne Katherine Wing, 2000-05 An anthology containing some 30 essays which focus on topics including a critique of American feminist legal scholarship motherhood and work in

cultural context Josephine Baker and the Cold War the campaign against female circumcision violence against Aboriginal women in Australia and marketization and the status of women in China Includes a foreword by social justice activist and professor at the U of California Santa Cruz Angela Y Davis Annotation copyrighted by Book News Inc Portland OR *North Korea* Paul French, 2015-08-15 North Korea continues to make headlines arousing curiosity and fear in equal measure The world's most secretive nuclear power it still has Gulag style prison camps allows no access to the Internet and bans its people from talking to foreigners without official approval In this remarkable and eye opening book internationally best selling author Paul French examines in forensic detail the history and politics of North Korea Pyongyang's complex relations with South Korea Japan China and America and the implications of Kim Jong un's increasingly belligerent leadership following the death of his father Kim Jong il As an already unstable North Korea grows ever more unpredictable antagonizing enemies and allies alike North Korea State of Paranoia delivers a provocative and frightening account of a potentially explosive nuclear tripwire **Latin America** Jan Knippers Black, 2018-04-17 Now in a fifth edition Latin America has been updated to reflect the region's growing optimism as economies stabilize trade diversifies and political systems become more participatory This multidisciplinary survey of Latin American history politics and society features invited contributions from authorities in a variety of fields New sections address current events including deforestation in Costa Rica and Brazil emerging social movements Ecuador's new constitution and Obama's stated objectives to repair U S relations with the region In addition key topics such as women and Latin American politics socialist governments and anti American sentiment Argentina's deteriorating economy and Colombia's struggle with military and narcotics issues receive expanded and revitalized treatment Other updated material covers outcomes of recent elections in Bolivia Brazil and Nicaragua among others Through a hybrid thematic and regional organization this text provides an essential foundation for introductory courses on Latin America

Cuban Communism 9th Editi Irving Louis Horowitz, Jaime Suchlicki, Forty six essays presented by avowedly anti Castro editors and gathered mostly from US journals and books of the past couple decades are organized into five sections devoted to the history economy society military and polity of Cuba Some of the specific topics treated include Cuban and Soviet relations decentralization local government and participation economic policies and strategies for the 1990s the politics of sports political and military relations and forecasting institutional changes after Castro In addition two appendices present a chronology of the Cuban revolution from 1959 to 1998 and biographical essays on 19 revolutionary leaders Annotation copyrighted by Book News Inc Portland OR *Cuban Studies 16* Carmelo Mesa-Lago, 1986-12-01 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent works in the field **Managing the Commanding Heights** Forrest D.

Colburn, 2024-06-12 Revolutions have often occurred in poor countries Although triumphant revolutionaries may lack the

resources to assume complete responsibility for their country's economy they do tend to nationalize what Lenin called the commanding heights those enterprises that meet the strategic needs of the polity How these enterprises are administered is consequential and at times decisive for the course of revolutionary change In *Managing the Commanding Heights* Forrest D Colburn explores the Sandinistas management of Nicaragua's state enterprises with an emphasis on the critical agrarian sector Central to the book are three lively and instructive case studies that provide a penetrating glimpse into life in post revolutionary Nicaragua In analyzing these cases Colburn explains the intentions of the Sandinista elite and links them with choices made at individual enterprises Colburn argues that state enterprises have been politically useful but economically unsuccessful Even with the unseen political advantages of state enterprises the pronounced financial losses of nationalized farms and factories exacerbate the economic and ultimately political vulnerability of a regime already weakened by counterrevolution The evidence demonstrates trenchant limitations to a revolutionary state's capacity to improve popular welfare State capacity is undermined by multiple factors international constraints on the autonomy of post revolutionary regimes sheer poverty the unintended but inevitable political manipulation of the economy the lack of managerial ability among even well intentioned elites and a revolutionary mentality that erodes rationality These same difficulties have bedeviled other post revolutionary regimes notably those in Africa *Managing the Commanding Heights* is essential reading for anyone interested in the dynamics of revolutionary regimes and the possibilities for radical change in poor countries This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

Healing the Masses Julie M. Feinsilver, 2023-04-28 How has Cuba a small developing country achieved its stunning medical breakthroughs Hampered by scarce resources and a long standing U S embargo Cuba nevertheless has managed to provide universal access to health care comprehensive health education and advanced technology even amid desperate economic conditions Moreover Cuba has sent disaster relief donations of medical supplies and technology and cadres of volunteer doctors throughout the world emerging in Castro's phrase as a world medical power In her significant and timely study Julie Feinsilver explores the Cuban medical phenomenon examining how a governmental obsession with health has reaped medical and political benefits at home and abroad As a result of Cuba's forward strides in health care infant mortality rates are low even by First World standards Cuba has successfully dealt with the AIDS epidemic in a manner that has aroused controversy and that some claim has infringed on individual liberties issues that Feinsilver succinctly evaluates Feinsilver's research and travel in Cuba over many years give her a unique perspective on the challenges Cuba faces in this time of unprecedented economic and political uncertainty Her book is a must read for everyone concerned with health policy international relations and Third World societies This title is part of UC Press's Voices Revived program which

commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 How has Cuba a small developing country achieved its stunning medical breakthroughs Hampered by scarce resources and a long standing U S embargo Cuba nevertheless has managed to provide universal access to health care comprehensive health education

Latin America, Economic Imperialism and the State Christopher Abel, Colin M. Lewis, 2015-11-19 Lewis and Able examine the economic relationship between Latin America and the advanced countries since their independence from Spanish and Portuguese rule They reinterpret the significance of Latin America's external connections through juxtaposing Latin America and the British scholars from different ideological and intellectual backgrounds This work is of considerable importance in promoting comparative work in development studies of Latin America and the Third World Social Development and

Public Policy D. Ghai, 1999-12-07 The book shows through in depth case studies how some low income countries have made enormous strides in overcoming problems of adult literacy lack of schooling high child mortality rapid population growth mass poverty and gender inequalities With contributions from outstanding scholars the book analyses the experiences with social development and public policy of Chile China Costa Rica Cuba Kerala Sri Lanka and Vietnam Using a holistic approach it draws lessons and evaluates their relevance for other countries interested in emulating their achievements **The USSR**

and Latin America Eusebio Mujal-León, 2022-12-28 The USSR and Latin America 1989 is an authoritative analysis of the Soviet Union's strategy and policy towards the region The contributors cover a variety of topics including Latin America's place in Soviet strategy for the developing world US perceptions of Soviet strategy in the region Soviet Cuban relations and relations between Latin American communist parties and the USSR *A Survey of Agricultural Economics Literature* Lee R. Martin, 1977 **Contesting Castro** Thomas G. Paterson, 1995-10-12 Based on extensive research in original sources

Contesting Castro represents a fresh interpretation of Cuban American relations in the 1950s An incisive exploration of the failures of U S policy it sheds new light on the 1959 triumph of Fidel Castro and the establishment of the Cuban Revolution

The Politics of Che Guevara Samuel Farber, 2016-05-18 This reexamination of Ernesto Che Guevara's thoughts on socialism democracy and revolution is a must read for today's activists or anyone longing to fight for a better world Fifty years after his death Guevara remains a symbol to legions of young rebels and revolutionaries This unique book provides a way to critically engage with Guevara's economic views his ideas about revolutionary agency and his conduct as guerrilla commander and government administrator in Cuba Samuel Farber was born and raised in Cuba He has written extensively on Cuba and the Cuban Revolution and is author of *Cuba Since the Revolution of 1959*

Economy Of Socialist Cuba A Two Decade Appraisal Introduction

In today's digital age, the availability of Economy Of Socialist Cuba A Two Decade Appraisal books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Economy Of Socialist Cuba A Two Decade Appraisal books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Economy Of Socialist Cuba A Two Decade Appraisal books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Economy Of Socialist Cuba A Two Decade Appraisal versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Economy Of Socialist Cuba A Two Decade Appraisal books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Economy Of Socialist Cuba A Two Decade Appraisal books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Economy Of Socialist Cuba A Two Decade Appraisal books and manuals is Open Library. Open Library is

an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Economy Of Socialist Cuba A Two Decade Appraisal books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Economy Of Socialist Cuba A Two Decade Appraisal books and manuals for download and embark on your journey of knowledge?

FAQs About Economy Of Socialist Cuba A Two Decade Appraisal Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economy Of Socialist Cuba A Two Decade Appraisal is one of the best book in our library for free trial. We provide copy of Economy Of Socialist Cuba A Two Decade Appraisal in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economy Of Socialist Cuba A Two Decade Appraisal. Where to download Economy Of Socialist Cuba A Two Decade Appraisal

online for free? Are you looking for Economy Of Socialist Cuba A Two Decade Appraisal PDF? This is definitely going to save you time and cash in something you should think about.
