**French Twentieth Bibliography** Douglas W. Alden,Peter C. Hoy,1992-04 This series of bibliographical references is one of the most important tools for research in modern and contemporary French literature No other bibliography represents the scholarly activities and publications of these fields as completely

**Ecrits sur la science-fiction** Norbert Spehner,1988    *Canadian Reference Sources* Mary E. Bond,Martine M. Caron,1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed fourways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

**La science-fiction : aux frontières de l'Homme** Stéphane Manfrédo,2000-01-01T00:00+01:00 Littérature protiforme aux multiples avatars la science fiction a marqué de manière indébile l'histoire culturelle et sociale du XXe siècle Divertissante dès l'origine prophétique engagée alarmiste elle s'est constamment adaptée à son environnement pour en restituer un reflet à la fois direct et souvent douloureusement fidèle Mais avant tout elle demeure littérature Stéphane Manfrédo raconte avec passion cette fascinante aventure individuelle et collective d'auteurs qu'une simple tiquette ne peut rassembler mais qui rapproche l'ambition d'apprendre l'homme et le monde dans leur irrductibilité complexe

**Handbook of French Popular Culture** Pierre L. Horn,1991-05-21 Throughout the world there has been much scholarly and general interest in French popular culture but very little has been written on the subject in English The authors of this book address that lack in a series of highly readable and well documented essays describing French life styles attitudes and entertainments as well as the writers and performers currently favored by the French public Several chapters explore French tastes in popular literature and other reading matter including comics cartoons mystery and spy fiction newspapers and magazines and science fiction Film popular music radio and television are also discussed in detail and influences from other cultures particularly American imports are assessed The remaining essays examine French sports the use of leisure time the French style of eating and drinking and relations between men and women and their attitudes toward romantic love Each chapter provides up to date historical and bibliographic information that will enable the reader to pursue

subjects of particular interest Written by an international group of specialists this handbook offers the benefits of broad coverage a variety of viewpoints and solid scholarship     **Science-fiction Studies** ,1990     **Imagining Outer Space** Alexander C.T. Geppert,2018-04-25 Imagining Outer Space makes a captivating advance into the cultural history of outer space and extraterrestrial life in the European imagination How was outer space conceived and communicated What promises of interplanetary expansion and cosmic colonization propelled the project of human spaceflight to the forefront of twentieth century modernity In what way has West European astroculture been affected by the continuous exploration of outer space Tracing the thriving interest in spatiality to early attempts at exploring imaginary worlds beyond our own the book analyzes contact points between science and fiction from a transdisciplinary perspective and examines sites and situations where utopian images and futuristic technologies contributed to the omnipresence of fantasmatic thought Bringing together state of the art work in this emerging field of historical research the volume breaks new ground in the historicization of the Space Age     [Contemporary French Science Fiction \(1950-1980\) : a Literature of Crisis](#) Vivian V.
