Ecstasy One Womens Sexual Fantasies:

Erotic Art Eugene C. Burt, 1989 **How to Make Love All Night (And Drive a Woman Wild)** Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on. It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes. Daniel knows that Allison needs at least another five minutes of intercourse before she can climax. Here's the problem: Daniel doesn't think he has five minutes left in him. If Daniel continues having intercourse the way he has for the past ten minutes, it may be only a matter of seconds before he has an orgasm. He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax. He knows that Allison is at that stage where any kind of change in his movement would only frustrate her. Besides, if he tried to stop or to change the rhythm, Daniel could lose strength in his erection, which would complicate matters even further. This dilemma is making the whole experience a lot less pleasurable for Daniel. The first few minutes of sex were pure excitement, but now he is worried and conflicted. It is hard to enjoy sex when you're fighting your own body. Truth is, you really can't enjoy sex when you're fighting your own body. And neither can your partner. What Daniel does not yet know is that he has another option: male multiple orgasm. The multi-orgasmic man has staying power. He doesn't have to hold back. He doesn't have to fight his own body and deny himself his own pleasure. He can enjoy all of the erotic sensations of intercourse, have a full orgasm, and keep going. If he wishes, he can have a second orgasm and keep going. He can last as long as his partner wishes, experience all of the excitement and release, and keep going. For the multi-orgasmic man, the sky is truly the limit. Daniel is not the only man who has this exciting option. Today, techniques have been perfected to make male multiple orgasm an option for almost every man. Age doesn't matter. Previous experience doesn't matter. Young or old, virgin or veteran, all you need is the desire, your penis, and a few minutes a day. So don't stop now. Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner. Enjoy your ebook *Sex how to make love all night*. **Women and Sex Therapy** Ellen Cole, Esther D Rothblum, 2014-03-18 Outstanding feminist scholars present seldom-discussed women's views of sexuality. In the past, there has been little feminist discussion among sexuality professionals and between feminist therapists and sex therapists. The valuable ideas expressed by the contributors to this book are aimed at increasing the possibilities for all therapists and counselors to discuss with their clients the nature of sexuality and, in particular, what women feel about sex. Professionals provide remarkable perspectives on issues that concern all women: orgasm, the double standard, new reproductive options, intimacy, bisexuality, and more. *Love and Limerence* Dorothy Tennov, 1998-12-29 Excellent of universal interest. It deals with the subject in an entirely new way. Simone de Beauvoir. Originally released twenty years ago, *Love and Limerence* has become a classic in the psychology of emotion. As relevant today as it was then, this book offers insight into love, infatuation, madness, and all flavors of emotion in between. **Women, Sexuality and the Political Power**

of Pleasure Susie Jolly, Andrea Cornwall, Kate Hawkins, 2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women's sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure Women Sexuality and the Political Power of Pleasure brings together challenges to these strictures and exclusions from both the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it *Ecstasy*, 1988 *Sex, Power and the Folly of Marriage in Women's Novels of the 1920s* Judy Cornes, 2015-10-02 The Americans experienced great social change in the decade following World War I They were restless often discontented searching for the good life the one promised to the generation who cheered on by patriotic slogans and propaganda enlisted to fight on European battlefields While young writers such as Hemingway and Fitzgerald romanticized the lives of Americans in postwar Europe and the U S a number of women authors in the 1920s looked through a darker lens The novels of Edith Wharton Willa Cather Margaret Wilson Edna Ferber Ellen Glasgow Dorothy Scarborough and Dawn Powell set mainly in the 19th century searched the past

for the origins of postwar upheaval especially with respect to the status of women Today a few iconic male novelists of the 1920s are synonymous with the spirit and culture of the Jazz Age This book focuses on their female contemporaries largely neglected by both critics and readers who remain relevant for their exploration of timeless social and psychological themes the battle of the sexes and its tragic consequences

Passionate and Pious Monique Moultrie, 2017-12-11 In *Passionate and Pious* Monique Moultrie explores the impact of faith based sexual ministries on black women's sexual agency to trace how these women navigate sexuality religious authority and their spiritual walk with God Providing churchwomen a space to candidly discuss these issues these popular ministries exist largely beyond the traditional church with dialogues about sex taking place in chat rooms and through text messages social media email and other media Moultrie foregrounds televangelist Juanita Bynum's construction of the black Christian sexual identity these ministries promote while emphasizing how churchwomen reconcile these prescriptive identities with their individual experiences What does it mean for senior women to exercise sexual agency when their church standing could be questioned What does celibacy mean for women who experience same sex desire while believing that such desire goes against God's will Advancing a womanist sexual ethics Moultrie reframes biblical interpretations and conceptions of what constitutes a healthy relationship to provide a basis for sexual decision making that does not privilege monogamy or deny female pleasure thereby calling on black churchwomen to experience responsible and life enhancing sex

Women Novelists and the Ethics of Desire, 1684-1814 Elizabeth Kraft, 2016-12-05 In *Women Novelists and the Ethics of Desire 1684-1814* Elizabeth Kraft radically alters our conventional views of early women novelists by taking seriously their representations of female desire To this end she reads the fiction of Aphra Behn Delarivier Manley Eliza Haywood Sarah Fielding Charlotte Smith Frances Burney and Elizabeth Inchbald in light of ethical paradigms drawn from biblical texts about women and desire Like their paradigmatic foremothers these early women novelists create female characters who demonstrate subjectivity and responsibility for the other even as they grapple with the exigencies imposed on them by circumstance and convention Kraft's study informed by ethical theorists such as Emmanuel Levinas and Luce Irigaray is remarkable in its juxtaposition of narratives from ancient and early modern times These pairings enable Kraft to demonstrate not only the centrality of female desire in eighteenth century culture and literature but its ethical importance as well

Kissing the Mango Tree Carmen Socorro Rivera, 2002-01-01 Pioneering novelist and short story writer Nicholasa Mohr broke onto the literary scene of ethnic autobiography in the early 1970s but it took another decade for other Puerto Rican women writers in the United States to follow the path that she cut From the late 1970s on a dynamic group of these writers have expanded the landscape of American literature *Kissing the Mango Tree* is the first and only book to examine the works of the most popular Puerto Rican women writers from the perspective of feminist literary criticism Rivera reconstructs the ethno feminist aesthetic of Judith Ortiz Cofer Sandra Mar a Esteves Nicholasa Mohr Aurora Levins Morales Rosario Morales Esmeralda Santiago and Luz Mar a Umpierre Herrera In separate chapters dedicated to each of these writers the author locates their works within the framework of feminist theory and literature seeing them as women with macho asserting their creative powers to record their own versions of their memories to own their own bodies They transform the way we look at the process of growing up and becoming a woman at the relationship with our mothers and our daughters at the fluidity of our lives at our notions of nationhood This groundbreaking study is accompanied by a complete bibliography of the six writers works and secondary sources of feminist Latino and ethno poetic criticism and theory

Saint Hysteria Cristina Mazzoni, 1996 *Saint Hysteria* examines scientific literary and religious texts that share a fascination with the otherness of the female body whether in ecstatic pleasure or in neurotic pain Cristina Mazzoni focuses on material from the late nineteenth and early twentieth centuries mainly in Italy and France Her approach uses the methodologies of cultural studies and feminism but also benefits from the insights of psychoanalytic criticism She asks how the identification of mysticism with

hysteria became prevalent and explores the continuing dialogue between a historicizing view of hysteria and a view of hysteria as repressed religious mysticism According to Mazzoni this dialogue is discernible at various levels and in a variety of discourses The medical history of hysteria she maintains is often linked to the religious history of supernatural phenomena and the medical discourse of positivism depends on the religious feminine element that it attempts to repress Similarly she finds a continuity between the literature of naturalism and that of decadence in their representations of the interdependence of neurosis and religion Finally the religious writings of women mystics and the discourses they inspired reveal an unresolved tension between nature and supernature body and soul or psyche which Mazzoni suggests mirrors and complicates the very issues raised by hysterical conversion Among those whose views she considers are the writers Jules and Edmond de Goncourt Gabriele d Annunzio and Antonio Fogazzaro as well as Graham Greene and Simone Weil the mystics Angela of Foligno Gemma Galgani and Teresa of Avila and the theorists Jean Martin Charcot Cesare Lombroso Jacques Lacan Simone de Beauvoir Julia Kristeva and Luce Irigaray
