Ecumenical Marriage And Remarriage Gifts And Challenges To The Churches:

Ecumenical Marriage and Remarriage Michael G. Lawler, 1990 **Marriage and Sacrament** Michael G.

Lawler, 2017-06-15 At a time in human history when women and men are more concerned about interpersonal relationships and when there is an extensive questioning of the specific relationship between a woman and a man in marriage Marriage and Sacrament offers an understanding of how to live out the Christ meaning and Church meaning of that relationship so that by living martially and sacramentally couples can reveal to the world and to the Church the deeper meaning of all human love The book examines the relationship among love marriage and sacrament it examines the meanings of the sacrament of marriage its biblical basis its history and what happens when it comes to an end it examines sexual love indissoluble love fruitful love and ecumenical love in relationship to both marriage and sacrament Marriage and Sacrament is an indispensable resource for pastoral ministers and ministry students as well as all who contemplate or are now partners in marriage

Eucharist and Receptive Ecumenism Kimberly Hope Belcher, 2020-10-15 All doctrinal development and debate occurs against the background of Christian practice and worship By attending to what Christians have done in the eucharist Kimberly Belcher provides a new perspective on the history of eucharistic doctrine and Christian divisions today Stepping back from the metaphysical approaches that divide the churches she focuses on a phenomenological approach to the eucharist and a retrieval of forgotten elements in Ambrose's and Augustine's work The core of the eucharist is the act of giving thanks to the Father for the covenant and for the world This unitive core allows for significant diversity on questions about presence sacrifice ecclesiology and ministry Belcher shows that the key is humility about what we know and what we do not which gives us a willingness to receive differences in Christian teachings as gifts that will allow us to move forward in a new way

Introduction to Ecumenism Gros, Jeffrey, McManus, Eamon, Riggs, Ann, 1998 An overview of the history content and future of the modern ecumenical movement with particular attention to Catholic leadership and the results of dialogues among the churches *Christian Marriage and Family* Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Malines: Continuing the Conversations Thomas Pott, James Hawkey, Keith Pecklers, 2023-12-13 The Malines Conversations are often described as a precursor to the theological dialogue between the Catholic Church and

the Anglican Communion initiated after the Second Vatican Council The fruit of a friendship between a French priest and an English aristocrat Cardinal Mercier's initial invitation in 1921 to a group of thinkers from both communions led to several rounds of discussion focused on issues that have long divided Catholics and Anglicans Since 2013 an informal and international group of Anglican and Catholic friends known as the Malines Conversations Group has been meeting annually for discussion and fellowship This volume represents the fruit of some of these conversations The informal nature of the group allows for wide ranging interrogation of diverse topics The discussions acted as a kind of theological laboratory enabling us to explore afresh some of the issues at stake both between and within our churches This volume of essays includes contributions from sacramental theologians liturgists ecclesiologists historians and philosophers Most are actively involved in Christian ministry Interspersed throughout are very short reflections from other theologians and Church leaders who have participated in the conversations as guests over the last decade In the words of Rowan Williams epilogue the hope and prayer of the contributors is that this celebration and exploration of the heritage of Malines might give us again the grace of being surprised by the gift of Catholic communion

Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context Yordan Kalev Zhekov, 2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on

marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system *The Mystery of Marriage: A Theology of the Body and the Sacrament* Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament **What Binds Marriage** Timothy Buckley, 2002-01-07 From apostolic times the Church has wrestled with the dilemma of how to defend its belief in the sanctity and permanence of marriage while at the same time ministering the love and compassion of Christ to those traumatised by the experience of marital breakdown Timothy Buckley is a Redemptorist priest who produced a report for the Catholic bishops of England and Wales on the pastoral situation among priests and people argues that the theology of the bond of marriage is responsible for an impasse which often limits the Church's official solutions to the granting of annulments By tracing the history of the teaching on the bond he concludes that the present discipline is based on disputable theology and he proposes a way forward An enlightened sound and original look at marriage today *The Encyclopedia of Christianity, Vol. 5* Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth

Being One at Home Thomas Knieps-Port le Roi, Ray Temmerman, 2015 Taking seriously Pope John Paul II's statement that the Christian family constitutes a specific revelation and realization of ecclesial communion and for this reason too it can and should be called the domestic Church this book explores the lived reality of the Domestic Church from the perspective of that subset known as interchurch families Approaching the issue both experientially and theologically the book delves into what these families reveal and realize of communion extrapolating the findings to show what they have to say to the Church In the process it offers evidence that interchurch families far from being a problem form a gift to their churches for the unity of the Church Series Theology Research and Science Theologie Forschung und Wissenschaft Vol 48 Subject Religious Studies Christianity **The Ecumenical Review**, 1992 *Today's Parish*, 1990 **Nova Et Vetera**, 2008 *Secular Marriage, Christian Sacrament* Michael G.
