special treatment By now 1909 the suffragettes were hunger striking and the government had retaliated with force feeding The stories that began to leak out of bungled operations of dirty tubes of screams half heard through brick walls of straitjackets and handcuff s outraged the suffragettes Constance decided on her most radical step yet to go to prison in disguise Taking the name Jane Warton she cut her hair put on glasses and ugly clothes and got herself arrested in Liverpool Once in prison she was force fed eight times before her identity was discovered and she was released Her case became a cause c l bre with debate raging in The Times and questions being asked in the House of Commons Lady Constance Lytton became an inspiration and in the end a martyr In this extraordinary new biography Lyndsey Jenkins reveals for the first time the fascinating story of the woman who abandoned a life of privilege to fight for women s rights
