Franchere, 1968 Edwin Arlington Robinson Scott Donaldson, 2007-01-09 At the time of his death in 1935 Edwin Arlington Robinson was regarded as the leading American poet the equal of Frost and Stevens In this biography Scott Donaldson tells the intriguing story of this poet's life based in large part on a previously unavailable trove of more than 3 000 personal letters and recounts his profoundly important role in the development of modern American literature Born in 1869 the youngest son of a well to do family in Gardiner Maine Robinson had two

brothers Dean a doctor who became a drug addict and Herman an alcoholic who squandered the family fortune Robinson never married but he fell in love as many as three times most lastingly with the woman who would become his brother Herman's wife Despite his shyness Robinson made many close friends and he repeatedly went out of his way to give them his support and encouragement Still it was always poetry that drove him He regarded writing poems as nothing less than his calling what he had been put on earth to do Struggling through long years of poverty and neglect he achieved a voice and a subject matter all his own He was the first to write about ordinary people and events an honest butcher consumed by grief a miser with eyes like little dollars in the dark ancient clerks in a dry goods store measuring out their days like bolts of cloth In simple yet powerful rhetoric he explored the interior worlds of the people around him Robinson was a major poet and a pivotal figure in the course of modern American literature yet over the years his reputation has declined With his biography Donaldson returns this remarkable talent to the pantheon of great American poets and sheds new light on his enduring legacy Edwin Arlington Robinson Mark Van Doren, 2013-10 This is a new release of the original 1927 edition *Edwin Arlington Robinson* Louis O.
