Eec Policy Towards Eastern Europe:

EEC Policy Towards Eastern Europe Ieuan G. John,1975 U.S. Policy Toward Eastern Europe United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on European Affairs,1990 Continuity And Change In Soviet-east European Relations Marco Carnovale,2019-04-10 This book is originated from the 1985 Rome conference on Soviet East European Relations Implications for the West which explored the elements of continuity and change especially the trends in intra Warsaw Pact relations It contains revised versions of the papers presented at the conference The EC, Eastern Europe and European Unity Peter van Ham,2016-10-06 This text argues that the process of West European integration was encouraged and facilitated by the Cold War in which the threat posed by the Soviet Union temporarily inhibited internal conflicts and in which American hegemony provided the relatively stable and secure economic political and military framework in which the major West European countries were able to co operate and take major steps towards the ultimate ideal of a European Union *The Reuniting of Europe* José I. Torreblanca,2017-09-20 This title was first published in 2001 In 1989 central and Eastern European countries broke free from the Soviet Union and looked upon the European Community to support their return to Europe Some years later leaders of the European Community meeting in Copenhagen in June 1993 endorsed for the first time the membership aspirations of the recently democratized countries of Central and Eastern Europe This insightful text examines the negotiations debates tensions and contradictions behind the process of approximation between the two halves of Europe both within the EC itself as well as between the EC and the countries of Central and Eastern Europe The extensive consultation of unpublished internal documents and a theoretically relevant and well written analysis ensures that this book is an indispensable resource for students and researchers of EC EU relations with Central and Eastern Europe **European Trade Policy in Agricultural Products** Joseph A. McMahon,2024-12-02

Russian-European Relations in the Balkans and Black Sea Region Vsevolod Samokhvalov,2017-06-19 This book provides a detailed analysis of Russia s great power identity and the role of Europe in forming this identity Great power identity implies an expansionist foreign policy and yet this does not explain all the complexities of the Russian state For instance it cannot explain why Russia decided to take over Crimea but provided only limited support to break away regions in Eastern Ukraine Moreover if Russia is in geo economic competition with Europe why has no serious conflict erupted between Moscow and other post Soviet states which developed closer ties with the EU Finally why does Putin maintain relationships with the European countries that imposed tough economic sanctions on Russia Vsevolod Samokhvalov provides a more nuanced understanding of Russia s great power identity by drawing on his experience in regional diplomacy and research and applying a constructivist methodology The book will appeal to students and scholars of international relations in particular Russian European relations Russian foreign policy and Russian studies **Yearbook on International Investment Law & Policy 2010-2011** Karl P. Sauvant,2012-02-16 The Yearbook on International Investment Law Policy 2010 2011 monitors

current developments in international investment law and policy focusing in Part One on recent trends and issues in foreign direct investment FDI Part Two then addresses the fundamental developments in European Union policy toward bilateral investment treaties and annexes the key official European Union documents **Towards a European Foreign Policy** J.K. de Vree, Peter Coffey, R.H. Lauwaars, 2024-08-26 The East European Economy in Context David Turnock, 2003-09-02 Since 1989 the former communist countries of Eastern Europe have witnessed a profound and dramatic upheaval The economic coherence of this region formerly maintained through the adoption of the Soviet system of government has fractured In The East European Economy in Context Communism and Transition David Turnock examines the transition from communist to free market economies both within and between the states of Eastern Europe As well as containing an informative survey of the impact of communism The East European Economy in Context provides Political profiles of individual countries A clear study of the contrasts between northern and balkan groups Summaries of regional variations in the transition process An exploration of the new state structures and resources Discussion of political stability inter ethnic tensions and progress in economic change European Communities John Paxton, 1992-01-01 The establishment of the European Economic Community in 1958 was one of the most remarkable developments in the history of the post World War II era It aimed for nothing less than a complete economic union so that goods people and capital would be able to pass over national boundaries of member countries as freely as they move within any one country As the Community's target date of 1992 for economic integration draws closer the need for information both current and historical becomes more urgent The aim of this annotated bibliography is to create a critical and descriptive list of books published mainly in English for businessmen and analysts combining older publications with new The literature on the EC is vast and issues The Community itself nearly 3000 publications a year The range of material covered in this volume is distinguished by its great scope Historical sections provide listings on the postwar years of economic recovery the development of the EC and biographies of the leading personalities involved Policy oriented sections encompass such subjects as labor transportation environment energy and education The political ramifications of economic union financial and fiscal affairs relations between the EC and the Third World and foreign relations in general are dealt with in separate sections The volume concludes with a listing of major European Community publications The sheer bulk of published material on the EC much of it duplication has made keeping up with its developments difficult for small and medium in Europe and elsewhere This invaluable sourcebook will provide the business community and the political establishments with better access to EC information as they grapple with the implications of 1992 **Détente in Europe** John Van Oudenaren, 1991 The monumental events in Eastern Europe and the Soviet Union must be understood Jan Van Oudenaren argues in the context of a process of East West détente begun in 1953 in the aftermath of Stalin's death Van Oudenaren's comprehensive and timely study examines the development of Soviet Western détente from the death of Stalin to the unification of Germany In redefining détente as a process rather than a code

of conduct Van Oudenaren looks to its origins in Soviet policy earlier than previously identified and analyzes both its history and character His study explores the restoration of four power negotiations in Germany and Austria in the mid 1950s their subsequent breakdown in the Berlin crisis their unexpected revival in 1990 in the form of two plus four talks on German unity and the future of the Soviet Union as a European power Among the key elements of d tente discussed are diplomacy particularly the role of summit conferences cooperation among parliaments political parties and trade unions arms control economic relations and links among cultural institutions churches and peace movements The End of the Cold War David Armstrong,Erik Goldstein,2013-11-05 Giving an overview of the origins and history of the Cold War this work considers whether the Cold War is truly over and what the effects have been on Europe and the former Soviet Union as well as US foreign policy **From Soviet Republics to EU Member States** Peter Van Elsuwege,2008 This book offers a

comprehensive analysis of the legal and political challenges surrounding the EU accession of the Baltic States It examines the impact of EU enlargement on relations with Russia and on the constitutional development of the countries concerned

Navies and Foreign Policy (Routledge Revivals) Ken Booth,2014-06-27 First published in 1977 this study offers a comprehensive systematic and integrated survey of the important relationship between navies and the making and execution of foreign policy Ken Booth explains the functions navies can perform in both war and peace the influence they have on particular situations and how the relevant organisations can affect the character of naval actions Ultimately navies are regarded as indispensable instruments of the state by a number of countries whilst all countries with a coast find some need to threaten a degree of force at sea This book provides students and academics with the intellectual framework with which to assess the changing character of the navy **Towards a European Foreign Policy** Johan Karel de Vree,Peter

Coffey,Richard H. Lauwaars,Alfred Pijpers,Edmond L. M. Völker,1987-01-01 This book contains more than 360 documents relevant to the international legal position of the Yugoslav territories in the 19th century the creation of Yugoslavia as a common state of the Serbs Croats Slovenes 1918 its constitutional development the process of dissolution of Yugoslavia the creation of the new states of Slovenia Croatia Bosnia Herzegovina Macedonia the Federal Republic of Yugoslavia It includes documents from the beginning of the 19th century showing the international legal position of the Yugoslav territories under the Austro Hungarian Ottoman Empires the independence of Serbia Montenegro recognized by the Treaty of Berlin 1878 the major events in the history of the creation of Yugoslavia as a joint state of the Serbs Croats Slovenes in 1918 concerning both its international position its constitutional organization The process of the dissolution of the Socialist Federal Republic of Yugoslavia covering the period from 1990 to September 1 1993 is presented through reproduced documents of international organizations United Nations European Community Western European Union Organization of Islamic Conference etc of the different conferences forums CSCE Group of Seven etc documents issued by Yugoslav organs the organs of new states of the former Yugoslavia The book also includes documents of a constitutional nature concerning the creation of the new states of

Slovenia Croatia Macedonia the Federal Republic of Yugoslavia It provides researchers in the field of international law political science of history with documentary information involving international legal constitutional aspects relating to Yugoslavia Pushing Back the Boundaries Mike Mannin,1999 Missionary families were an integral component of the missionary enterprise both as active agents on the global religious stage and as a force within the enterprise that shaped understandings and theories of mission itself Taking the family as a legitimate unit of historical analysis in its own right for the first time Missionary families traces changing familial policies and lived realities throughout the nineteenth century and powerfully argues for the importance of an historical understanding of the missionary enterprise informed by the complex interplay between the intimate the personal and the professional By looking at marriage parenting and childhood along with professionalism vocation and domesticity this first in depth study of missionary families reveals their profound importance to the missionary enterprise and concludes that mission history can no longer be written without attention to the personal emotional and intimate aspects of missionary lives **The European Community and Eastern Europe** Charles Ransom,1973 1968 Annual Supplement John B. Simeone,Alfred de Grazia,Carl E. Martinson,2013-12-01 *The Making of EU Foreign Policy* K. Smith,2004-01-13 The Making of EU Foreign Policy argues that there has been a common European Union EU foreign policy towards six countries of Eastern Europe Bulgaria Czech Republic Hungary Poland Romania Slovakia and analyzes why the EU has agreed to the policy The objective of the EU s policy is to support the transformation of Eastern Europe and thus ensure security and stability The most important instrument that the EU has used to reach this objective has been the prospect of enlargement
