Vedanta Philosophy of Management vol- 1 Dr. Samar Deb, 2023-11-01 Vedanta Philosophy of Management is the modern need of the changing world order in these days of technological innovation and gigantic size of business organizations Keeping in mind the objectives of sustainable development goals SDGs five Chapters are devoted in this volume to increase human competency building enhance capabilities and to bring in creativity to strengthen human living parameters in terms of Vedanta management thought and the Vedic work practices Chapter 1 deals with Introduction to Vedanta Management Thought to understand the framework of Vedanta management and to find out the means and ways for human resource development HRD potentials through Vedanta philosophy along with backdrop analysis of business process reengineering BPR paradigms in confining issues pertaining to organizational effectiveness as well as environmental sustainability Effective leadership qualities are narrated in sparkling manner to strengthen managerial professional ethics administrative excellence building norms bring in positive social change in terms of Vedic work ethics and code of conduct Hence this Chapter enlightens on various postulates of global development initiatives through Vedanta practices of management to finding out the true nature of management and its significance in the present day changing world order in scientific temper of thought Applications of Vedanta knowledge in organizational activities are synthesized with the Vedic work principles to uplift human beings from pathetic social sufferings As such quality circle fundamental issues are stressed with equanimity of work and equipoise nature of performance for supplementing human growth related paradigms in path goal relativity approach Chapter 2 deals with Vedanta Management and Theory of Work to work out judicious relationship between organizational activities and human development strategies in relation to organizational dynamicity managerial vision of work etc with goal directed initiatives As such this Chapter especially considers the Vedanta principles of management with the Vedic rules of work practices in coagulating tools and techniques of human dynamic behavioral postulates for enhancing human competencies building to commensurate transformational social change with transcendental approach Hence theory of work is given special priority in organizational activities in terms of Vedanta mission to incorporate management practices in regard to human existential freedom of living Chapter 3 deals with Vedanta Management and Theory of Knowledge and furnishes the principles of human creative innovational thought for illuminating production function related activities to enlarge organizational effectiveness in terms of theory of knowledge and managerial excellence building process Here universal

brotherhood has been considered sincerely for exposition of the fundamental rules of Vedanta management in realities of management to eradicate social poverty with interface between managerial knowledge and values of work. It has provided a paradigm shift of knowledge to social emancipation process of human beings for world class citizenship in terms of administrative skills. Thus this Chapter provides a new managerial perspective on international understanding with human cooperative endeavors so that Vedanta management helps to match resources in matchless way to reduce gaps between haves and have nots for bringing human solvency as well as salvation of life. Chapter 4 analyzes Vedanta Management and Theory of Devotion to relate organizational work ethics with leadership qualities in bringing world unity, social integrity and human self sufficiency. Thus this Chapter elaborates the issues of the integral concept of humanity in relation to work and knowledge as the pyramid of social reconstruction in confining organizational work ethics to areas of radical social reconstruction through devotional qualities of modern organizational leaders and therefore human growth and social sustainability is explained in relativity approach to amplify the reasons for increasing human capacity building with devotional managerial qualities at organizational structure to enrich the pillars of modern organizations. As a whole this Chapter is attempted to discuss primarily qualities of devotion in management and its necessity for attaining the goal of organizational work efficiency. Thus this Chapter has established relativity between work and devotion to uproot the principles of Vedanta in management so as to know clearly the devotional practice of work philosophy in bringing universal peace and eternal concept of human living through Vedanta management techniques. Thus managerial guidelines are provided for effective organizational rolling in making pious social journey with knowledge base intercepts towards the existential autonomy of humankind. Chapter 5 discusses on Vedanta Management for International Understanding to reflect international cooperative business environment with the help of management vision. It explains analytically the fundamental thoughts of financial solvency through Vedanta techniques of derivative management system. This Chapter further deals with international human cooperation building measures in terms of Vedanta system of management to enumerate various business policies at international level. Technological upgrading principles and practices at international level have been found to be the corner stone of Vedanta management process and therefore we have exemplified with decisive factors how to choose technology at the present set up of the world business changing scenario for human empowerment in bringing world equilibrium at economic frontiers. Accordingly we have analyzed the reinventing policies of Vedanta management for international production quality enhancement program in realizing the goal of service delivery mechanisms of the global organizations. Enrichment of intellectual property for managerial value addition to the society has essentially been occupied important place in our discourses through Vedanta management objectives for the purpose of valuable studies on international market driven competitive advantages as well as price mechanism behavioral prudence to global business environment of international organizations for which administrative effectiveness has been put forward as proactive goal of

managerial guidance at international standard to illuminate the picture of good governance philosophy All the Chapters have been interpreted in scientific manner with appropriate examples for confining human development related postulates in relativistic assumptions of sound organizational structure Vedanta management ideologies are thus enumerated to uproot the ultimate goal of human society Focus on the Vedanta techniques on overall study reveals how managerial effectiveness will be enhanced through path goal relational approach of management to augment scientific viewpoint on matters like organizational strategy social dynamicity and human capacity building for the purpose of world peace global tranquility and human existential freedom of living The volume is the first and new one as an innovative technique of social business reengineering process for creative managerial guidance to the effective cause of development of human resources as well as leadership goal of organizational life style in the changing phase of technological society and global order of the twenty first century
