Jamerson, 2003-05-01 **Effective Leadership and Management in Nursing** Eleanor J. Sullivan, Phillip J. Decker, 2001 Information technology has become an increasingly important part of counselling and psychotherapy. This text with contributions from internationally leading figures provides an up-to-the-minute precise and practical guide to the different ways in which technology can be used in therapeutic work including e-mail and Internet relay chat, telephone, video link, and stand-alone software packages. As well as discussing vital ethical, theoretical, and practical considerations for practitioners, the authors look at the likely impact of these technologies on therapeutic relationships and the outcomes that can be expected. Technology's impact is explored from the perspectives of both therapists and clients, including individual therapy groups, supervision, and training, and supported by extensive case studies. **Studyguide for Effective Leadership and**

Finkelman, 2012 Rev ed of Leadership and management in nursing Anita W Finkelman c2006 Leadership and Management Competence in Nursing Practice Audrey M. Beauvais, 2018-11-28 Written specifically for the experienced nurse enrolled in an RN to BSN program, this text guides nurses through an interactive critical thinking process to become effective and confident nurse leaders. All nurses involved with direct patient care already rely on similar strategies to oversee patient safety, make care decisions, and integrate plan of care in collaboration with patients and families. This text expands upon that knowledge and provides a firm base to reach the next steps in academia and practice, enabling the BSN-prepared nurse to tackle serious issues in care delivery with a high level of self-awareness and skill. Leadership and Management Competence in Nursing Practice relies on a keen understanding of what experienced nurses already bring to the classroom. This text provides a core framework and useful skills and strategies to successfully lead nursing and healthcare forward. Clear, concise chapters cover leadership skills and personal attributes of leaders with minimal repetition of material covered in associate's

degree programs Content builds on the framework of AACN Essentials of Baccalaureate Education IOM Competencies and QSEN KSAs Each chapter presents case scenarios to promote critical thinking and decision making Self assessment tools featured throughout the text enable nurses to evaluate their current strengths areas for growth and learning needs Key Features Provides information needed for the associate s degree nurse to advance to the level of professionally prepared baccalaureate degree nurse Chapters contain critical thinking exercises vignettes and case scenarios targeted to the RN to BSN audience Self assessment tools included in most chapters to help the reader determine where they are now on the topic and to what point they need to advance to obtain competence and confidence in the professional nursing role Provides information and skills needed by nurses in a variety of healthcare settings Includes an instructor s manual *Instructors Manual* Eleanor J. Sullivan,Phillip J. Decker,Pat Jamerson,2002-08-21 *Management and Leadership for Nurse Administrators* Linda Roussel,Richard J. Swansburg,Russell C. edition will include AACN Essentials competencies throughout the chapters. The theme for all nurses as leaders will focus on how nurses can embrace and implement the AACN competencies to be leaders in the profession. Chapter 1 Leadership Management Principles will be revised to focus on the state of nursing and what nurse managers are dealing with since COVID. The authors will condense much of the historical information into smaller tables to make room for this new content. In addition to Chapter 1, where applicable content will be revised with post-covid insights and learnings. An example is in the Managing Time and Stress chapter. It will address the impact of COVID on nurse manager's stress levels, ways to manage stress, and the impact it has had on the nurse manager's job perspective. The case studies within the chapters that are not in the NGN will be revised to include the AACN Essentials competencies.
