Effective Patient Education:

Effective Patient Education: A Guide to Increased Adherence Donna Falvo, 2010-02-26 This title is Print on Demand Please note orders can take 4-6 weeks to fulfill Written by a nursing expert and former Chair of patient education for the Society of Teachers of Family Medicine *Effective Patient Education A Guide to Increased Adherence Fourth Edition* gives clinicians the tools they need to become effective patient educators Using a patient centered approach this essential text provides specific strategies for communicating in a way that motivates patients to take action Crucial to this approach is an understanding of the patient as a partner in the patient education process The text uncovers patient concerns and challenges that may interfere with patient adherence to recommendations enabling clinicians to gain insight into their patients and devise communication strategies that can empower patients to overcome obstacles In addition this completely revised and updated edition explores the challenges that clinicians may face in conducting patient education Using case examples to illustrate key points this text moves beyond theory to offer practical application principles for the real world Featuring a clinical approach in examining established patient education theories *Effective Patient Education A Guide to Increased Adherence Fourth Edition* is an invaluable guide for nursing students and professionals The Fourth Edition includes chapters on Enhancing patient motivation Building an effective patient education team Patient centered teaching model Instructional aids including internet and web based resources 2011 496 pages *Effective Patient Education* Donna R. Falvo, 2011 *Effective Patient Education A Guide to Increased Adherence Fourth Edition* gives clinicians the tools they need to become effective patient educators Using a patient centered approach this essential text provides specific strategies for communicating in a way that motivates patients to take action Crucial to this approach is an understanding of the patient as a partner in the patient education process The text uncovers patient concerns and challenges that may interfere with patient adherence to recommendations enabling clinicians to gain insight into their patients and devise communication strategies that can empower patients to overcome obstacles In addition this completely revised and updated edition explores the challenges that clinicians may face in conducting patient education Using case examples to illustrate key points this text moves beyond theory to offer practical application principles for the real world Featuring a clinical approach in examining established patient education theories *Effective Patient Education A Guide to Increased Adherence Fourth Edition* is an invaluable guide for nursing students and professionals **Effective Patient Education** Donna R. Falvo, 1994 Patient education and patient compliance continue to be important issues for the health professional This Second Edition of the bestseller covers many innovations and new issues that have arisen in the growing field and is thoroughly updated to include several new chapters **Effective Patient Education** Donna R. Falvo, 2004 *Effective Patient Education* helps health professionals and students develop the skills and knowledge to conduct effective patient education in a highly efficient way It emphasizes a team approach to patient education recognizing that because of the complexity of health care many health

professionals are involved in patient care This book is therefore written for nurses physicians physical therapists dietitians pharmacists and other health care professionals who share responsibility to guide their patients in enhancing and maintaining health and well being Effective patient education is a way of communicating that fosters a partnership between the patient and health professional It involves more than giving information and instruction In order to conduct effective patient education health professionals must recognize that individual patient variables influence the degree to which a patient will follow health advice The health professional can assess the patient s preexisting beliefs and attitudes fears and anxieties and individual life and family circumstances in order to communicate health recommendations in accordance with individual patient needs

Effective Patient Education Donna Falvo, 2011 Written by a nursing expert and former Chair of patient education for the Society of Teachers of Family Medicine Effective Patient Education A Guide to Increased Adherence Fourth Edition gives clinicians the tools they need to become effective patient educators Using a patient centered approach this essential text provides specific strategies for communicating in a way that motivates patients to take action Crucial to this approach is an understanding of the patient as a partner in the patient education process The text uncovers patient concerns and challenges that may interfere with patient adherence to recommendations enabling clinicians to gain insight into their patients and devise communication strategies that can empower patients to overcome obstacles In addition this completely revised and updated edition explores the challenges that clinicians may face in conducting patient education Using case examples to illustrate key points this text moves beyond theory to offer practical application principles for the real world Featuring a clinical approach in examining established patient education theories Effective Patient Education A Guide to Increased Adherence Fourth Edition is an invaluable guide for nursing students and professionals
