The purpose of Timeless Youth Ministry is to help people in the church and Christian youth organizations minister to teenagers. As former youth pastors and current professors of youth ministry, the authors have been there, done that, in this field. They've run programs, camps, and ministry trips in such diverse places as southern California, east Tennessee, northeast Ohio, and Alberta, Canada, to name a few. This book is a needed resource to examine afresh what it means to be an adolescent in today's culture and how those who minister to young people can best reach them. *Kraus' Recreation and Leisure in Modern Society* Daniel McLean, Amy Hurd, 2011-02-09 Focusing on ten different types of organizations ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism, sponsors this classic text is an invaluable resource for students considering a career in the recreation and leisure industry. Australian Evangelical Perspectives on Youth Ministry Ruth Lukabyo, 2023-12-06 This book is a unique contribution to the study of children's and youth ministry, displaying the rich theological thinking that is developing amongst Australian evangelical scholars. Many of the writers have previously presented at the Youthworks House conference, which promotes theological reflection for best practice in youth and children's ministry in a community of youth and children's ministers. The themes explored in this book are vitally important to pastors seeking to nurture young people as disciples of Jesus. Thirteen evangelical scholars answer questions such as: How can biblical theology shape a young person's view of themselves? What is the biblical definition of church, and how does this shape our understanding of intergenerational gatherings, family, and community? How should young Christians interact with the culture around them? And how do biblical teachings on sin, grace, and wisdom provide young people with the resources to live in today's world? You will be challenged to reconsider how theology and exegetical study of the Bible can mold your priorities, principles, and presumptions as you exercise ministry to and with young people. *Evidence-Based Practices* Bryan G. Cook, Melody Tankersley, Timothy J. Landrum, 2013-06-06 This volume focuses on evidence-based practices (EBPs) supported by sound research studies documenting their effectiveness with a target population. As such, EBPs have significant potential to improve the outcomes of learners with learning and behavioral disorders.
