Effective Japanese usage dictionary, 2001 日本語の基礎 Joyce Yumi Mitamura, Yasuko Kosaka Mitamura, 1997 This approach to learning the basic components of kanji demonstrates simply how a finite number of parts combine into a wide variety of characters Everyone agrees that it is possible to learn to speak Japanese in a reasonable amount of time but no one has ever said that about reading and writing it It is widely held that spoken and written Japanese require separate efforts by the student as if these two aspects were in fact distinct languages A first step toward alleviating this situation was taken by Yasuko Mitamura in 1985 with the publication of *Let's Learn Japanese* Essential Japanese Vocabulary Akira Miura, 2013-08-20 This is a clear simple and compact guide to colloquial everyday Japanese Acquire basic proficiency in spoken Japanese A streamlined efficient approach Perfect for self learners or classroom use Includes kanji and kana Essential Japanese Vocabulary teaches all the Japanese grammar you need to speak and understand simple spoken Japanese It covers only what is essential which provides an efficient way for learners who have limited time to gain basic proficiency and begin to communicate naturally with Japanese language speakers Intended for both self study and classroom use the guide offers a practical course in colloquial Japanese but leaves aside forms that are unnecessary or little used as well as those that are more important for written Japanese In short chapters it helps the user understand the logic of Japanese grammar while its straightforward explanations and clear examples make learning as easy as possible The book includes a glossary of grammatical terms and an index as well as appendixes on Japanese pronunciation and verb conjugation In a focused and convenient approach Essential Japanese Vocabulary is an indispensable tool for beginners just starting to learn Japanese or a handy aid for more experienced learners who wish to refresh their knowledge
