## **Efronia An Armenian Love Story:**

**Efronia** Stina Katchadourian,1993 Efronia grew into a beautiful young woman and was pursued by many eligible suitors Despite her desires for stability and freedom from her irresponsible brother she spurned them all But Ramzi was different she fell in love with him when they first met However their passionate feelings for each other could not surmount the cultural political and religious obstacles to their marriage for he was a Persian Moslem she an Armenian Christian Even if there was some hope that her family would eventually consent to the union that hope was destroyed after the eruption of World War I and the massacre and deportation of Armenians living within the Ottoman empire **Efronia** Stina Katchadourian,2001

**Plight and Fate of Women During and Following Genocide** Samuel Totten,2017-10-19 The plight and fate of female victims during the course of genocide is radically and profoundly different from their male counterparts Like males female victims suffer demonization ostracism discrimination and deprivation of their basic human rights They are often rounded up deported and killed But unlike most men women are subjected to rape gang rape and mass rape Such assaults and degradation can and often do result in horrible injuries to their reproductive systems and unwanted pregnancies This volume takes one stride towards assessing these grievances and argues against policies calculated to continue such indifference to great human suffering The horror and pain suffered by females does not end with the act of rape There is always the fear and reality of being infected with HIV AIDS Concomitantly there is the possibility of becoming pregnant Then there is the birth of the babies For some the very sight of the babies and children reminds mothers of the horrific violations they suffered When mothers harbor deep seated hatred or disdain for such children it results in more misery The hatred may be so great that children born of rape leave home early in order to fend for themselves on the street This seventh volume in the Genocide series will provoke debate discussion reflection and ultimately action The issues presented include ongoing mass rape of girls and women during periods of war and genocide ostracism of female victims terrible psychological and physical wounds the plight of offspring resulting from rapes and the critical need for medical and psychological services The Way It Turned Out Herant Katchadourian,2018-09-05 This memoir is the account of the life of the author s spanning seven decades lived on three continents The Middle East Europe and the United States What sets this memoir apart from so many others is the breadth of its cultural dimensions and the depth of its psychological insights Many memoirs are written by celebrities or those by pervasive traumas in their lives have a voyeuristic quality However there is very little in these lives with which people can identify The author s memoir is highly distinctive but the issues he focuses on have many features that are common with other people s lives such as the role of chance and the reconstruction of past events in the light of the present These issues are presented in a way that readers can learn and benefit from it This book is the account of a fascinating life that is not only interesting to read but instructive by placing the various stages and facets of life in their historical and cultural contexts such as the history and culture of the Middle East which are important but not well known *Women and*

*Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes Looking Backward, Moving Forward Richard G. Hovannisian, 2017-07-05 The decades separating our new century from the Armenian Genocide the prototype of modern day nation killings have fundamentally changed the political composition of the region Virtually no Armenians remain on their historic territories in what is today eastern Turkey The Armenian people have been scattered about the world And a small independent republic has come to replace the Armenian Soviet Socialist Republic which was all that was left of the homeland as the result of Turkish invasion and Bolshevik collusion in 1920 One element has remained constant Notwithstanding the eloquent compelling evidence housed in the United States National Archives and repositories around the world successive Turkish governments have denied that the predecessor Young Turk regime committed genocide and like the Nazis who followed their example sought aggressively to deflect blame by accusing the victims themselves This volume argues that the time has come for Turkey to reassess the propriety of its approach and to begin the process that will allow it move into a post genocide era The work includes Genocide An Agenda for Action Gijs M de Vries Determinants of the Armenian Genocide Donald Bloxham Looking Backward and Forward Joyce Apsel The United States Response to the Armenian Genocide Simon Payaslian The League of Nations and the Reclamation of Armenian Genocide Survivors Vahram L Shemmassian Raphael Lemkin and the Armenian Genocide Steven L Jacobs Reconstructing Turkish Historiography of the Armenian Massacres and Deaths of 1915 Fatma Muge Go cek Bitter Sweet Memories The Armenian Genocide and International Law Joe Verhoeven New Directions in Literary Response to the Armenian Genocide Rubina Perroomian Denial and Free Speech Henry C Theriault Healing and Reconciliation Ervin Staub State and Nation Raffi K Hovannisian **Ararat**, 1997 *Feminism and Documentary* Diane Waldman, Janet Walker, 1999 Documentary and feminist film studies have long been separate or parallel universes that need to converse or collide The essays in this volume written by prominent scholars and filmmakers demonstrate the challenges that feminist perspectives pose for documentary theory history and practice They also show how fuller attention to documentary enriches and complicates feminist theory especially regarding the relationship between gender and sexuality race and ethnicity class and nation Feminism and Documentary begins with a substantial

historical introduction that highlights several of the specific areas that contributors address debates over realism the relationship between filmmaker and subject historical thinking about documentary and thinking about the historical documentary biography and autobiography and the use of psychoanalysis Other essays most of which appear here for the first time range from broad overviews to close analyses of particular films and videos and from discussions of well known works such as *Roger and Me* and *Don't Look Back* to lesser known texts that might revise the canon The collection includes an extensive filmography and videography with useful distribution information and a bibliography of work in this neglected area of scholarship Lucid sophisticated and eye opening this book will galvanize documentary studies and demonstrate the need for women's and cultural studies to grapple with visual media

experience a revolution which would culminate in the new secular Turkish state. Alongside this in 1915 as part of an increasing nationalism it enacted a genocide against its Armenian citizens. In this new study Hans Lukas Kieser marshals a dazzling array of scholars to re-evaluate the approach and legacy of the Young Turks whose eradication of the Armenians from Asia Minor would have far-reaching consequences. Kieser argues that genocide led to today's crisis-ridden Middle East and set in place a rigid state system whose effects are still felt in Turkey today. Featuring new and groundbreaking work on the role of bureaucracy, the actors outside of Istanbul and re-centring Armenian agency in the genocide, *The End of the Ottomans* is a vital new study of the Ottoman world, the Armenian Genocide and of the Middle East. **Journal of Women's History**, 1997     Feminist Bookstore News, 1994     *Women & Gender in Central and Eastern Europe, Russia, and Eurasia: Russia, the non-Russian peoples of the Russian Federation, and the successor states of the Soviet Union* Mary Fleming Zirin, 2007
