Development Of An Authoritarianmodernizing State
Updated Edition**

Yoav Di-Capua

Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition:

Hosni Mubarak and the Future of Democracy in Egypt A.,2011-11-07 As Mubarak s regimenearing its end becomes a strong possibility many pressures both foreign and domestic are coming to bear on Egypt to bring democratic reforms to this struggling country In The Mubarak Leadership and Future of Democracy in Egypt Alaa Al Din Arafat studies this new era and the obstacles that must be overcome **The Mubarak Leadership and Future of Democracy in Egypt** A.

Arafat,2009-05-11 As Mubarak s regime nearing its end becomes a strong possibility many pressures both foreign and domestic are coming to bear on Egypt to bring democratic reforms to this struggling country In The Mubarak Leadership and Future of Democracy in Egypt Alaa Al Din Arafat studies this new era and the obstacles that must be overcome **The**

Individual and the Authority Figure in Egyptian Prose Literature Yona Sheffer,2018-05-15 The Individual and the Authority Figure in Egyptian Prose Literature explores and analyses political conflicts between individuals and authority figures as those conflicts are depicted in thirteen Egyptian novels written from 1957 to the last years of Mubarak s presidency The book discusses the various reasons that lead an individual or a group of people from all strata of society common people intellectuals and public figures to confront policemen senior security officials and even the heads of the state It further examines how the conflicts develop and what their outcomes are in the short term as well as in the long term for both the individuals and the authority figures In this context the volume also examines the possibility of standing against an oppressive regime and even overcoming it This text argues that while the authority figure initially subdues individuals who confront them their victory is short term In the long term their cruelties bring about sown deaths either by the individuals themselves or by their relatives Furthermore large assemblies of people can confront the regime with success These discoveries along with other findings presented in the book remain relevant to the reality in the Middle East and the events leading to the Arab Spring Youth in Egypt Nadine Sika,2023-02-21 An eye opening look at youth in contemporary Egypt

from the role they play in advancing political change to their everyday struggles In Youth in Egypt Nadine Sika explores the political world of young people in Egypt focusing on their experiences under authoritarianism From the reigns of Gamal Abdel Nasser and Anwar Sadat to that of Abdel Fattah el Sisi she offers an on the ground perspective through the eyes of multiple generations of young people who lived through consecutive periods of political upheaval and state militarization Drawing on surveys interviews and focus groups Sika shines a light on youth who have participated in protest movements civil society organizations and political parties She shows us the different opportunities for economic and political participation that exist for them explaining why young Egyptians may choose to either mobilize against or surprisingly in support of the regime Sika underscores how youth in Egypt have been regarded as both the hope of the nation and a threat to the nation Youth in Egypt shines a light on the rising generation of young people that represents Egypt s future and also

has significant implications for the broader Middle East and North Africa region *Government and Politics of the Contemporary Middle East* Tareq Y. Ismael, 2015-10-05 This exciting new edition of the successful textbook for students of Middle Eastern politics provides a highly relevant and comprehensive introduction to the complexities of a region in constant flux Combining a thematic framework for examining patterns of politics with individual chapters dedicated to specific countries the book places the very latest developments and long standing issues within an historical context introducing key concepts from comparative politics to further explore the interaction between Middle Eastern history and the region s contemporary political development Presenting information in an accessible and inclusive format the book offers Coverage of the historical influence of colonialism and major world powers on the shaping of the modern Middle East A detailed examination of the legacy of Islam Analysis of the political and social aspects of Middle Eastern life alienation between state and society poverty and social inequality ideological crises and renewal Case studies on countries in the Northern Belt Turkey and Iran the Fertile Crescent Iraq Syria and Lebanon Israel Palestine and those West and East of the Red Sea Egypt and the members of the Gulf Cooperation Council moving through an historical examination to close analysis of the most recent developments and their political and social impacts Extensive pedagogical features including original maps and further reading sections provide essential support for the reader A key introductory text for students of Middle Eastern politics and history at advanced undergraduate and postgraduate levels this new edition has been extensively updated to also become a timely and significant reference for policy makers and any motivated reader **Social Justice in Islam** Deina Abdelkader, 2000-01-01 Western theoretical approaches of modernization development social progress and interaction have failed to understand the dynamics of the Islamic revival Deina Abdelkader in this seminal work argues that questions of social justice are indelibly tied to the phenomenon of contemporary Islamic resurgence as the quest for social justice is in fact motivated by the Shari ah hence an integral part of Islamic life and weltan shauung Using the two tools of maqasid and maslahah and through the examination of the dialectical link between fiqh and reality the author shows their indispensability as important methodological tools for the study of the social sciences and indeed of social phenomena The Muslim Brothers in Pursuit of Legitimacy Hesham Al-Awadi, 2014-09-16 Following the 25th January revolution the Muslim Brotherhood emerged as the most organised and successful political force in Egypt as they cashed in on decades of grassroots mobilisation and growth Through dominance in syndicates and unions the provision of social services and participation in elections this the Brotherhood steadily expanded under Mubarak Hesham Al Awadi s lucid and original argument frames this period as one of struggle over legitimacy between the regime and this then banned organisation charting a cycle of accommodation and coercion The Brotherhood failed to secure the recognition of the state but gained an informal legitimacy as it occupied the spaces opened up by Mubarak in an early attempt to shore up the credibility of his regime This social legitimacy became a threat to the regime haunted by the regional rise of Islamists and a failure to

legitimate its leadership and ushered in an era of coercion Through these complex dynamics of the conflict and control and drawing on interviews with key figures such as Abdul Mun em Abu Al Futuh Esam Al Aryan and Mustafa Al Fiqi Al Awadi sheds light on the Mubarak era and the Muslim Brotherhood that have risen out of it **Palestinians in the Arab World** Laurie A. Brand,1988 Examines the history of the Palestinians from their uprooting in 1948 to the present Explores the development of the socio political institutions that served as bases for the reemergence of the Palestinian national movement Institutions among students women teachers and workers in the Palestinian communities of Egypt Kuwait and Jordan are explored **Endgames** Hicham Bou Nassif,2020-10-01 The 2011 Arab Spring is the story of what happens when autocrats prepare their militaries to thwart coups but unexpectedly face massive popular uprisings instead When demonstrators took to the streets in 2011 some militaries remained loyal to the autocratic regimes some defected whilst others splintered The widespread consequences of this military agency ranged from facilitating transition to democracy to reconfiguring authoritarianism or triggering civil war This study aims to explain the military politics of 2011 Building on interviews with Arab officers extensive fieldwork and archival research as well as hundreds of memoirs published by Arab officers Hicham Bou Nassif shows how divergent combinations of coup proofing tactics accounted for different patterns of military behaviour in 2011 both in Egypt and Syria and across Tunisia and Libya Egypt Philip Marfleet,2016-06-20 The tumultuous events that began in Egypt in 2011 have embraced revolution and counter revolution For Philip Marfleet they are a complex and continuing process in which millions of people from a range of political formations and socio economic and religious backgrounds became agents of change Amidst a surge of publishing on the Arab Spring this book aims to close a critical gap by examining the specific character and composition of the Egyptian struggle The social and cultural initiatives that constituted the carnival of the oppressed come alive in the testimonies of participants across the political spectrum allowing us to explore activist engagements in the streets workplaces campuses and neighbourhoods as well as in the formal political arena Following the 2011 revolution was the Ittihaidya demonstrations the anti Mursi marches and countless smaller protests rallies mass meetings community mobilisations and labour actions which indicate that the revolutionary energy is undiminished With this in mind Marfleet asks what can be learned from the Egyptian case about political upheavals that continue to affect societies of the Global South Five years after the start of the Arab Spring this offers one of the best participant orientated accounts of the country s struggle *US Economic Aid in Egypt* Dina Jadallah,2016-01-27 Economic aid is one of the cornerstones of the Egyptian American relationship and plays a significant role in promoting US policy objectives in the Middle East Focusing on the latter half of Hosni Mubarak s rule Dina Jadallah argues that through its aid policy the US has attempted to use a reforming and democratising narrative to transform Egypt into a stable market democracy that would be aligned with US interests in the region This aim has been pursued in conjunction with one that promoted a comprehensive warm peace with Israel By highlighting the opposition within Egypt to US aid Jadallah analyses

the key issues that came to the fore during the 2010 11 protests in the country and led to the downfall of Mubarak Extending her analysis into the post revolutionary period the author provides interviews with regime insiders and prominent critics inside state institutions and outside who actively challenged the regime This enables her to assess the different perceptions of US aid both under Mubarak and in the current political situation contributing to an incisive analysis of modern Egypt and its relations with its superpower ally in the region

Democracy Challenged Marina Ottaway,2013-01-25 During the 1990s international democracy promotion efforts led to the establishment of numerous regimes that cannot be easily classified as either authoritarian or democratic They display characteristics of each in short they are semi authoritarian regimes These regimes pose a considerable challenge to U S policymakers because the superficial stability of many semi authoritarian regimes usually masks severe problems that need to be solved lest they lead to a future crisis Additionally these regimes call into question some of the ideas about democratic transitions that underpin the democracy promotion strategies of the United States and other Western countries Despite their growing importance semi authoritarian regimes have not received systematic attention Marina Ottaway examines five countries Egypt Azerbaijan Venezuela Croatia and Senegal which highlight the distinctive features of semi authoritarianism and the special challenge each poses to policymakers She explains why the dominant approach to democracy promotion isn t effective in these countries and concludes by suggesting alternative policies Marina Ottaway is senior associate and codirector of the Democracy and Rule of Law Project at the Carnegie Endowment

The Modern Middle East Mehran Kamrava,2005-01-31 The first succinct and authoritative overview of the making of the modern Middle East this lucid book brings a valuable mix of historical perspectives and contemporary analysis to a wide audience of readers seeking expert knowledge about this troubled and fascinating region Giving a rich perspective on the region s historical and political evolution the book traces the influence of factors such as religion culture and economics and illuminates events and topics currently in the news With its broad thematic sweep and its balanced presentation of contentious issues it is essential reading for general readers and students who want to better understand the world today Mehran Kamrava sets the stage with a concise discussion of the evolution of Islam and the religion s profound role in the region He then looks at in turn the rise and fall of the Ottomans the trials of independence and state building the emergence and fiery spread of nationalism the two Arab Israeli wars of 1967 and 1973 the Iranian Revolution and the two Gulf Wars and beyond including discussion of the invasion of Iraq by the United States After tracing the consequences of these historical events for a host of political phenomena Kamrava gives detailed attention to three pivotal issues the challenges of economic development the Palestinian Israeli conflict and the question of democracy He also examines issues that will shape the future population growth environmental pollution and water scarcity

Democratic Backsliding in Post-Mubarak Egypt Arshad,2024-09-24 Arshad examines the phenomenon of democratic backsliding in post 2011 Egypt Capturing a critical juncture in Egyptian politics this book explains the failure of Egypt s nascent democratic

experiment and its relapse into authoritarianism Egypt is the crucial playbook to understand the reversal of a country towards an authoritarian regime and what measures state and non state actors should employ to prevent backsliding The book is an essential model for understanding democratic backsliding through structural and agential factors The former encompasses society politics economics and the military while the latter deals with the choices and attitudes of the leadership during the political transition Providing crucial insights into what went wrong during the democratic transition process this text acts as a guide to curbing the rise of authoritarian regimes in the face of the next potential revolution The book is a valuable resource for scholars who are interested in democratisation authoritarian regimes military leadership political protests and political leadership *The Autocratic Parliament* Irene Weipert-Fenner, 2020-03-23 When protests erupted in response to the 2010 Egyptian parliament elections that were widely viewed as fraudulent many wondered Why now Voters had never witnessed free and fair elections in the past so why did these elicit such an outcry To answer this question Weipert Fenner conducted the first study of politics in modern Egypt from a parliamentary perspective Contrary to the prevailing opinion that autocratic parliaments are meaningless token institutions Weipert Fenner s long term analysis shows that parliament can be an indicator catalyst and agent of change in an authoritarian regime Comparing parliamentary dynamics over decades Weipert Fenner demonstrates that autocratic parliaments can grow stronger within a given political system They can also become contentious when norms regarding policies political actors and institutions are violated on a large scale and or at a fast pace Most importantly a parliament can even turn against the executive when parliamentary rights are withdrawn or when widely shared norms are violated These and other recurrent patterns of institutional relations identified in *The Autocratic Parliament* help explain long spans of stable yet never stagnant authoritarian rule in colonial and postcolonial periods alike as well as the different types of regime change that Egypt has witnessed those brought about by external intervention by revolution or by military coup *Egyptian Foreign Policy From Mubarak to Morsi* Nael Shama, 2013-10-30 *Egyptian Foreign Policy from Mubarak to Morsi* explores an area rarely touched upon by researchers the relationship between regime security and the national interest Concentrating on Egyptian foreign policy under President Hosni Mubarak this book analyses how it was used to bolster his internal hold on power In considering Egyptian foreign policy two central case studies are examined Firstly Egypt s reluctance to re establish diplomatic ties with Iran and secondly Egypt s response to the efforts of the Bush administration in promoting political reform in the Middle East When examining these case studies the impact of different societal factors on decision making is taken into consideration highlighting the role of business groups and the security apparatus in foreign policy decision making Concluding with a discussion of Egypt s foreign policy in the first year of Mohamed Morsi s rule and arguing that it has departed little from Mubarak s policy this book is a vital resource for anyone interested in contemporary Egyptian politics Middle East Studies and International Relations more broadly *Mubarak's Egypt* Robert Springborg, 2019-09-10 The starting point for the investigation outlined

in this text is the relationship between political authority and economic change in Egypt and will be the presidency and the highest level of the political elite The bulk of the field research on which this book is based was conducted in Egypt in 1986

Egyptians in Revolt Adel Abdel Ghafar, 2016-10-04 Egyptians in Revolt investigates the political economy of the Egyptian labor and student movements Using elements of social movement theory within a broad political economy framework it assesses labor and student mobilizations in four eras of contemporary Egyptian history the pre 1952 era the Nasser era the Sadat era and the Mubarak era Egyptians in Revolt examines how both student and labor groups responded to the political economy pressures of the respective eras Within the context of social movement theory the book argues that political opportunities and threats have had a significant impact on both student and labor mobilizations In addition the book explores how the movements have at times been able to affect government policies However the argument is made that the inability of both groups to sustain momentum in the long term is due to cooptation efforts by established political forces and the absence of viable and enduring organizational structures that are autonomous of state control By combining analysis to include both labor and student movements Egyptians in Revolt is a valuable resource for understanding the Egyptian political economy and its impact on mobilizations It will therefore be of interest to students and scholars of Middle East Studies as well as those interested in social movement more broadly

Gatekeepers of the Arab Past Yoav Di-Capua, 2009-09-09 An enormous contribution to the study of Egyptian history writing and historiography Sure to become the basic manual for understanding the trajectory of modern Egyptian thinking Roger Owen author of State Power and Politics in the Making of the Modern Middle East

Foreign Policy as Nation Making Reem Abou-El-Fadl, 2019 A comparison of Turkey's and Egypt's diverging foreign policies during the Cold War in light of their leaderships nation making projects

Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition has opened up a world of possibilities. Downloading Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Egyptian Politics Under Sadat The Postpopulist Development Of An Authoritarianmodernizing State Updated Edition. Some websites may offer pirated or illegally obtained
