throughout his serious concern that we are in a very real sense losing the legacy of antiquity through the corrosive methodologies of modern academic criticism This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 In this collection of sixteen literary and historical essays Peter Green informs entertains and stimulates He covers a wide range of subjects from Greek attitudes toward death to the mysteries of the Delphic Oracle from Tutankhamun and the gold of E Egypt in LA. ,1977

Offerings to the Discerning Eye Sue D'Auria,2010 Egyptologist Jack A Josephson a writer and researcher in the tradition of the gentleman scholar has achieved broad recognition as an authority in Egyptian art history His lucid investigative analyses have probed and redefined the limits of inquiry expanded research parameters and broadened perspectives emphasizing the undeniable contributions of art history in an intra disciplinary framework This volume of collected essays is dedicated to Josephson by distinguished friends and colleagues a select roster including eminent established scholars in the field of Egyptology and rising stars of the younger generation Josephson views Egyptian art history as a critical but neglected area of study and is a strong proponent of its reinstatement in the academic curriculum as an essential component in the formation of new cadres The quality of the articles in this Egyptological medley is a tribute to the honoree and an affirmation of the esteem of his peers while the range of subjects and variety of themes addressed reflect the degree to which he has in his own scholarship undertaken to implement his ideal *Wonderful Things: A History of Egyptology, Volume 3* Jason Thompson,2018-10-16 The discovery of ancient Egypt and the development of Egyptology are momentous events in intellectual and cultural history The history of Egyptology is the story of the people famous and obscure who constructed the picture of ancient Egypt that we have today recovered the Egyptian past while inventing it anew and made a lost civilization comprehensible to generations of enchanted readers and viewers thousands of years later This the third of a three volume history of Egyptology follows the progress of the discipline from the trauma of the First World War through the vicissitudes of the twentieth century and into Egyptology s new horizons at the beginning of the twenty first century Wonderful Things affirms that the history of ancient Egypt has proved continually fascinating but it also demonstrates that the history of Egyptology is no less so Only by understanding how Egyptology has developed can we truly understand the Egyptian past

Ancient Pasts for Modern Audiences Chelsea A.M. Gardner,Sabrina C. Higgins,2025-03-17 This volume brings together specialists from a broad demographic and professional range academics museum curators students and content creators to discuss case studies challenges and potential future avenues for public scholarship on the history archaeology and cultures of the ancient Mediterranean North Africa and Western Asia Together the contributions promote the creation of inclusive methods of knowledge mobilisation and communication in public spheres across three main areas cultural heritage pedagogy

and public facing scholarship These areas have all been directly affected by Eurocentric structures that have claimed ownership of ancient Mediterranean cultural heritage and have dictated how it has been taught in schools and communicated to the broader public The volume is divided into three sections Museums Teaching and Learning and Global and Local Projects each addressing pressing challenges faced within these interrelated fields and offering ways for us to overcome the exclusionary narratives that plague them Ancient Pasts for Modern Audiences provides an invaluable resource for those interested in public history from academics to lay audiences in the fields of Ancient Mediterranean North African and Western Asian Studies The book also appeals to professionals and researchers whose interests lie in public facing scholarship pedagogy digital humanities decolonisation studies museum studies and popular media The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
