Understanding Translation Anne Schjoldager, 2008

Knowledge and Skills in Translator Behavior Wolfram Wilss, 1996-04-01

This book represents an approach which is intended to give readers a general insight into what translators really do and to explain the concepts and tools of the trade bearing in mind that translation cannot be reduced to simple

principles that can easily be separated from each other and thus be handled in isolation On the whole the book is more process than product centred Translation is seen as an activity with an intentional and a social dimension establishing links between a source language community and a target language community and therefore requiring a specific kind of communicative behavior based on the question Who translates what for whom and why To the extent that the underlying principles assumptions and conclusions are convincing to the reader the practical implications of the book last but not least in translation teaching are obvious Translation as a Cognitive Activity Fabio Alves, Amparo Hurtado Albir, 2024-09-30

Translation as a Cognitive Activity provides an overarching account of translation as a cognitive activity from the pioneering use of think aloud protocols as a sole technique used to investigate the translation process in the mid 1980s to the latest developments in the field This book focuses on the main aspects of translation as a cognitive activity including detailed descriptions of translation process research as well as research on translation competence and its acquisition Providing thorough information into ways of studying translation as a cognitive activity by means of systematic references to empirical experimental investigations this innovative textbook promotes knowledge about the cognitive study of translation to related fields With detailed explanations about models related to the functioning of the translation process and translation competence as well as an updated account of methods and instruments used in empirical experimental research in translation this is the ideal resource for students and translator trainers as well as novice and experienced translators

Routledge Encyclopedia of Translation Technology Chan Sin-wai, 2023-04-26 Routledge Encyclopedia of Translation Technology second edition provides a state of the art survey of the field of computer assisted translation It is the first definitive reference to provide a comprehensive overview of the general regional and topical aspects of this increasingly significant area of study The Encyclopedia is divided into three parts Part 1 presents general issues in translation technology such as its history and development translator training and various aspects of machine translation including a valuable case study of its teaching at a major university Part 2 discusses national and regional developments in translation technology offering contributions covering the crucial territories of China Canada France Hong Kong Japan South Africa Taiwan the Netherlands and Belgium the United Kingdom and the United States Part 3 evaluates specific matters in translation technology with entries focused on subjects such as alignment concordancing localization online translation and translation memory The new edition has five additional chapters with many chapters updated and revised drawing on the expertise of over 50 contributors from around the world and an international panel of consultant editors to provide a selection of chapters on the most pertinent topics in the discipline All the chapters are self contained extensively cross referenced and include useful and up to date references and information for further reading It will be an invaluable reference work for anyone with a professional or academic interest in the subject How Long, O Lord? Athena E. Gorospe, Charles R. Ringma, 2019-01-31

The task of reconciliation with God ourselves and others is an integral element of the mission of God that has been entrusted

to his people and leads us to be peacemakers in our societies Dealing with the grand vision of peace and reconciliation this book unlocks the biblical story of reconciliation and challenges churches to widen their scope of mission and become a healing and restorative community With a particular focus on case studies from the Philippines this book gives insight on the work of reconciliation in different parts of the world Dealing with themes such as repentance forgiveness partnership and multiculturalism How Long O Lord offers a thorough academic investigation of the ministry of reconciliation that will be useful for pastors counsellors and scholars in various contexts
