## **Eight Characteristics Of Highly Effective Christians:**

**VIII** Chris Spicer,1996 The theme of this volume is the eight attitudes taught by Jesus in the Sermon on the Mount These lay the foundations for a profoundly Christian world view The examples and insights for example the true joy to be found in the midst of sorrow make this a source of spiritual inspiration      Charts for a Theology of Evangelism Thomas P. Johnston,2007-07-01 Like no other book before it Charts for a Theology of Evangelism gathers ninety three unique charts based on author Thomas P Johnston s twenty three years of practicing and teaching personal evangelism This excellent classroom preaching or personal study resource features nine major sections and each chart from The Urgencies that Drive Evangelism to Five Interpretations of Salt in Matthew 5 13 to Biblical Stages in Theological Drift includes an explanation and contextual set up from the author      **Against the Tide** Carl Herbster,Randy Hurst,2011-09 Young people are surrounded by media militantly attacking biblical virtue and values The goal of Christian education is still to present every man perfect in Christ but postmodernism declares that there is no one right way to live In the midst of this conflict many Christian school leaders are surrendering lowering their expectations in order to bring in more students tolerating an atmosphere which works against the basic purpose for which the schools were founded Against the Tide calls the Christian education movement back to its mission The ideas offered in this book are thoroughly practical The authors have effectively implemented these principles in their Christian schools More important these ideas are thoroughly biblical in their understanding of the role of Christian education and in particular of the Christian school in helping parents to develop Christlike character in young people      **Jesuscopy** Douglas Gonçalves,2024-08-29 The purpose of Douglas Gon alves s book JesusCopy is to invite all who call themselves Christians to a real and revolutionary commitment to imitate Christ in all they think say do and choose not to do The author discusses common problems and points out solutions and pathways on the journey with the Master Gon alves is intent on rousing those who are unaware of their own shortcomings so they can become aware of their flaws and seek to conform to the image of the Son I therefore recommend this book My prayer is that it will be a precious tool for bringing people to Christ and building up God s people May this work spread to every corner of the country and beyond bringing the clear message of God s grace to thousands of hearts Hernandez Dias Lopes      *The Worship Architect* Constance M. Beougher,2021-08-24 Essential guidance

for a lifestyle of sharing God's good news with a lost world. What exactly does it mean to evangelize in a Christian sense? And how is such evangelizing supposed to be done? Longtime pastor, evangelist, and professor of evangelism Timothy K. Beougher answers these questions and more from theological, historical, and practical perspectives. Beougher demonstrates God's goodness in evangelism through relatable anecdotes, Bible teaching, and encouraging instruction. *Invitation to Evangelism* welcomes believers into the experience of stepping out in faith on behalf of people God loves. Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers and most also know they aren't witnessing very well or even at all. They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives. *Invitation to Evangelism* guides readers through the essential issues of the gospel message, evangelism methods, and witnessing models so they are ready and excited to move out in faith as everyday evangelists. Beougher's biblical, theological, historical, and practical teaching revolves around following essential aspects of being an evangelist: Having compassion as the motivation for evangelism; Understanding the good news of Jesus Christ; Seeing lost people as persons God loves; Relying on the power of the Holy Spirit; Paving the way for new believers to share their faith eagerly with others. *Management Essentials for Christian Ministries*, Michael Anthony, James R. Estep, 2005-03-01.

Contributors represent a diverse denominational cross section and include Dennis Williams, Gary Bredfelt, Gordon Coulter, Michael J. International Christian Endeavor Convention, 1901: Philosophy, Who**

**Needs It?** Jason D. Crowder, 2016-03-02. Too often skeptics charge Christians with having a blind faith. Unfortunately, believers have added fuel to the charges of skeptics by speaking of their faith illogically. But the Christian faith is not a blind faith. In fact, biblical faith is never a blind, irrational faith. Christianity rests firmly on the stone that was rejected by the builders, which has become the cornerstone, Jesus Christ. Acts 4:11. Living biblically requires thinking biblically; just as to think biblically entails to live biblically, as Winfried Corduan notes in the Foreword. As followers of Christ, believers cannot separate biblical thinking and biblical living. These two behaviors are eternally connected, not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth. Christ mandates that his followers love God with their entire being: heart, soul, mind, and strength. Mark 12:30. How are believers to go about living out this biblical mandate? Christian faith is a warranted belief. This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian's walk. **Conversion of Chinese Students in Korea to Evangelical Christianity**, Chang Seop Kang, 2022-01-28. Currently, about 6 percent of the eighty thousand Chinese college students in Korea are Christians, certainly no small number considering their future role within the Chinese Church. In this study, Chang Seop Kang seeks to find out the factors, process, and types concerning the conversion of thirty Chinese international students. This qualitative study gives a rich picture of their conversion stories, providing many examples from

their insider perspectives The key finding connecting these stories is experiencing God Overall this book showcases how an inductive data analysis such as grounded theory can produce a powerful message that affirms biblical truth
